Merle J. Abbett—A friend—A helper—A patriot!

Strengthening the

Mr. Abbett is not going to permit the war to cripple or hinder the educational system in this city and is doing everything possible to boost national defense and the selling of bonds and stamps in the public schools. Mr. Abbett is both a friend and a helper to all students at all times, and he is always prepared to help them with any difficulties. The superintendent of our public schools is also chairman of the program for the selling of War Bonds and Stamps in Allen County.

North Side High School once again comes into the spotlight. This time the school has taken a lead in the vast civilian defense program of our nation. Not only does our school boost the sale of defense stamps and bonds; but also courses are offered in civilian defense, which help to raise the morale of the citizens. Air raid drills and first aid classes have proved very successful at North Side. Students have responded promptly to all calls to be of assistance, and participation in the air raid drills has been remarkable. North Side is doing its part to help America. Are you doing all that you can to help our country in this great emergency?

Busy at work is an efficient Board of Trustees of the Public Schools. They capably manage all school affairs, and promote within the students a high degree of educational incentive. Prepared to assist at all times, these members of the board are authorities on educational advancement.

Members of the school board of trustees are, seated from left to right: Mrs. Wilhelmine H. Wilder, clerk; Mrs. Charles Goeriz; Dr. Victor Hilgemann, treasurer; Ben Geyer, president; Merle J. Abbett, superintendent of schools; William T. McKay; Willard Shambaugh, secretary; Carl Carlson, supervisor of buildings and grounds.

North Side Pillars

"Since Pearl Harbor, every citizen and every group of citizens has been asking, 'How can our country best be served in this emergency?' The public schools are no exception, and from the many answers are coming some well-defined policies.

"An intensified physical fitness program must be carried on to the end that every young man and young woman may be in the best physical condition. Engineers are needed which means more mathematics and more science. But most of all, we need straight-thinking, clear-headed, sacrificing Americans. This means doing a little better those things which high school boys and girls have always done well."

—Mr. Milton H. Northrop

Mr. Milton H. Northrop, principal, is examining some of Hazen Keyser's recent photographic experiments.

Miss Victoria Gross, dean, and Jane Evans are inspecting a recent publication of the school paper.

"In this emergency we need fighting men, fighting machines, and a 'fighting scholarship.' Those of us in school realize the importance of intensifying our efforts in the classroom, of emphasizing the ideals of service and cooperation in our extra curriculums and of developing increasing strength of character and self discipline. Our war-time educational program is designed to foster the maximum development of the individual to fit him for maximum service to his country and to society."

—Miss Victoria Gross

A cooperative body of advisers and helpers who are always ready to come to the aid of any student, is that of the Parent-Teacher Association. Always ready, willing, and able, they constantly help by creating a feeling of satisfaction between the student, the teacher, and the parent, teacher, or organization.

North Side Parent-Teacher Association boasts a large membership. Those who are present in this picture are members of the executive committee. Seated at the table are, Mrs. George Golden, Miss Victoria Gross, Mr. Milton H. Northrop, Mrs. Vane Boone, Mrs. H. C. Cruse; and standing, Mrs. Foster Waggoner, Mrs. Verne Tobias, Mrs. C. A. Edgar, Mrs. Harry Robinson, Sheila Schomp, Mrs. Edgar Harries, Dave Saylor, Mrs. A. C. Rondot, Mrs. D. A. Skelly, Mrs. J. C. VandenBerg, and Mrs. Wilbur Jackson.

Other members of this department are, seated, at the left, Mrs. Ella Clark, attendance chief; at the right, Miss Marie Miller, Red Cross adviser; in the back row, John Morris; Glenn Gordy, safety director; and Everett Pennington, boys' counsellor, head of the book store, and adviser of the freshman class.

Lower right: Discussing a blue print with his fellow instructors is, right, Tourist Thompson, head of the industrial arts department.

On the left is Rutherford Smuts, rifle adviser; and in the center is Louis Breeden, Hi-Y adviser.

Fall Comes

to North Side

With the advent of autumn, the wigwam is overrun by many new and enthusiastic freshmen, who are eager to become better acquainted with the premises. They are getting their first glimpses of North Side High School; they are forming their first impressions of the Redskin Inn.

Many loyal Redskins are seen at the football games on chilly fall evenings. North Siders are usually very enthusiastic about football and cross country, which are two of the fall features on the sportscope here at North Side.

Perhaps some of you students are either members of organizations or you are anticipating joining one of the clubs at North Side. For information about any of these clubs in which you might be interested you may find some helpful hints in this section of the book. These organizations are especially active in the fall of the year.

Green Freshmen Take First Fall

By BOB BAYER

Freshman class officers are, from left to right Bob Northrop, social chairman; Bob Bayer, secretary-treasurer; Miss Irene Miller, Mr. Everett Pennington, class advisers; Lloyd Vogel, president; Wayne Heath, vice-president.

We Freshmen have just completed our first year at North Side. We are proud of the records we have left behind us. When we first entered North Side, we received much razzing from the upper-classmen, but now it is our turn to razz incoming freshmen. We have had gay times during our first year. The outstanding social event was the Freshman Party, which was a great success.

The class of '45 may attribute some of its success to the advisers and officers. Miss Irene Miller and Mr. Everett Pennington deserve much credit for their help. We of the class of '45 truly appreciate their guidance. The class officers have worked hard to make the class of 1945 an outstanding one. Lloyd Vogel, president, was assisted by Wayne Heath, vice-president; Bob Bayer, secretary-treasurer; and Bob Northrop, social chairman.

The Freshman Student Council members also helped to govern the Freshman class. The Freshman members of the Student Council are Bob Bayer, Lloyd Vogel, Dick Blum, Wayne Heath, Bob Lambert, Peggy Watt, Thaine Ford, Mildred Fox, Marvin Komisarow, Iona Hamlett, Jessie Ormerod, Betty Lou Sowers, Bonnie Bower, Oddra Meyers, and Victor McGuire.

The Freshmen have already shown their scholastic ability and Room 222 has placed first in the freshman scholastic rating. The members of this

room are Jack Shipman, Virginia Sickanish, Mary Louise Snead, Norma Smith, Mark Sickafoose, Albert Silk, Margaret Skelly, George Sparling, Robert Stavenick, Anna May Staley, Richard Stephens, Annabelle Stephenson, Roger Stillpass, Mary Louise Stokes, Doris Stonebreaker, Helen Strebig, Dorothy Sunderland, Carol Sundsmo, Imogene Taylor, Mary Jane Taylor, Carl Thiele, Philip Thompson, Standard Thompson, William Towsley, Lois Mae Trapp, Carole Turner, Mary Louise Ulrey, Martha Ummel, Richard Vachon, Lloyd Vogel, Mary Wagner, and Marie Walker.

There is much more that could be written about our scholastic activities and about our officers and advisers, but I shall attempt to tell how the members of the class of '45 have taken up outside activities.

We Freshmen contribute the following boys who shall be future stars on the North Side football, track, and basketball teams. They are Herb Baum, Lloyd Vogel, Wayne Heath, Charles Todd, Manuel Fernandez, Eldon Lemmel, Dick Mansfield, Milton Brooks, Ray Bowsman, Jack Doyle, Bob Lambert, Jim Ringle, Wayne Christman, Bob Laws, Bob Schlegel, LeMoyne Walker, Bud Leininger, Tom Bastress, Bill Mansfield, Bob Waikel, Jack Summers, Jack Moring, Henry Bax, Jack Carpenter, Mark Chatfield, Steve Bumgartner, Dick Crist, Harold Gallmeier, Jimmie Schwartz,

Paul Rice, Paul Rodenbeck, Don Ropa, Edwin Ross, Bob Scheibenberger, Robert Schmidt, K. Packer, Bob Penn, Jim Roembke, Bob Seaney, Jack Harter, Ned Jackson, Morris Kern, Dick Lano, Clyde Lotter, Bob McMahan, Ken Marrow, Roy Naugle, Fred Aker, Dick Anderson, Don Bauer, Dick Beuchler, Bob Phillips, Bob Ballard, Don Harter, John Hinton, Fred Knuth, Marvin Komisarow, John Krieg, Ted Mason, Fred Kammer, Milton Kellermeier, Oscar Kruse, Bob Lare, Fred Leinker, Don Muhlan, Gene Dennis, Jack Harpel, Frank Gaunt, Morris Fraser, Bob Ryan, Eugene Shafter, Bill Stoats, and Herb Willis.

The girls have also found interest in sports. They are Margaret Canfield, Sarah Cover, Mar-

ilyn Curdes, Pat Dailey, Phyllis Dooley, Erma Ely, Joan Fritz, Mildred Fox, Marilyn Burbank, Joan Archbold, Joan Rodgers, Shirley Rider, Phyllis Schuerenberg, Betty Alvey, Betty Berry, Betty Lou Boegli, Nondas Crabill, Gloria Doty, Marjorie Emerson, Polly Stokes, Madonna Bauer, Babs Brosher, Aimee Winje, Bonnie Wire, Jean Zimmerman, Phyllis Galli, Eona Hamlett, Donna Humbarger, Jacqueline Mentzer, Donna Cowan, Susie White, Betty Ann Poag, Joan Rockey, Phyllis Golden, Darlene Herring, Eleanor Hauser, Joan Houlihan, Roselyn Nidlinger, Jackie Orr, Glenn Plasterer, Emily Swank, Neva Waikel, Mary Lou Smead, Mary Sickafoose, Mary Ann Staley, Doris Stonebreaker, Mary Louise Ulrey, Mary Louise Wagner, Donna Lacy, Kathleen Messerschmidt,

Genevieve Bowsman, Marilyn Pierre, Rena Miller, Murcella Miller, Joan McKeefer, Suzanne McKeefer, Jean Mulqueeney, Jessie Ormerod, Pat Prange, Evelyn Aiken, Irene Archer, and Vergie Lewis.

At many of the North Side basketball and football games freshman twirlers entertained the spectators. Some of the twirlers are Babs Brosher, Margaret Canfield, Jessie Ormerod, Ellen Schaffhauser, and Florence Gresham. Many freshman girls are beginning in a twirling class. They are Joan Brown, Delores Gardy, Marecele Garman, Carol Havens, Darleen Herring, Mildred Hattendorf, Evelyn Hollmann, Eldina Huff, Polly Stokes, and Joan Sutton.

The speech department at North Side has claimed many freshmen. Those who are on the debate team are Bob Laws, Bob Bayer, Betty Boegli, and Thaine Ford. The freshman declamation contest was won by Flo Ann Brown, while the freshman extemp was won by Bob Bayer. Two lone freshmen are in the N.F.L. They are Bob Bayer and Bob Laws.

The freshmen belonging to J.F.L. are Betty Greenwood, Herbert Willis, Susie White, Irene Archer, Bob Schleyce, Park Snyder, Betty Lou Boegli, Joanna McBeth, Dick Blum, Joan Houlihan, Vergie Lewis, Marilyn Curdes, Pat Daily, Phyllis Dooley, Carol Jean Havens, Darleen Herring, Jessie Ormerod, Donna Cowan, Jean Zim-

merman, Wayne Heath, Flo Ann Brown, Thaine Ford, Rena Miller, Delores Gurd, Jean McComb, and Jack Vandenberg.

Many freshmen hold positions on The Northernner. They are Marilyn Curdes, Donna Cowan, Jane McGill, Bob Northrop, Genevieve Bowsman, Maxine Link, Nondas Crabill, Susie White, Mar-

ilyn Burbank, Jim Schwartz, Jim Preston, Aimee Winje, and Mildred Fox.

Pupils finding interest in nature have joined the Nature Club. They are Evelyn Aiken, Dick Blum, Donna Hamlett, Bob Northrop, Bob Seaney, Jack Schick, Emily Swank, Eunice Westbrook, Peggy Watt, and Madonna Bauer.

First Row: Marvin Komisarow, Clarence Kopp, John Krieg, Oscar Kruse, Donna Lou Lacy, Richard Lano, Bob Lare, Bob Laws, Eugene Leakey, Joan Lee.

Top Row, left to right: Vergie Lewis and Rena Miller flash friendly smiles. Eleanor Evans and Dick Vachon look windblown but happy. Seemingly enjoying the sun in their eyes are Lloyd Vogel and Susie White.

Second Row: Trio—Marilyn Burbank, the flagpole, and Wayne Heath. Lazily leaning against the tree is blond Jessie Ormerod, and beside her is that strawberry blonde, Donna Cowan. Comfortable on the curb are Jimmie Schwartz and Bob Lambert.

Third Row: Another one of the Curdes—this time Marilyn, and sitting beside her is Bob Northrop. A familiar scene on the front lawn—Don Ropa, Peggy Watt, and Bob Bayer sitting on the grass. Supporting a pillar, or vice versa, are Bob Schlegel and Ned Jackson.

Upper left—It takes a full block to stop powerful back, Bill Boedeker, in this game against Central Catholic. Just below we see that big Red line in action against South. Paul Trebra, Al Rossetter, Kay Short, and Dean Marks are the Redskins

who favor us with a view of their backs. Mike Bojinoff, all-city fullback, gallops over center for another sizable gain in the action shot at lower left.

Talking it over at left center we find the Nulf brothers, Bob and George, who, as coach and assistant, respectively, guided the destiny of the big Red grid team.

At right center, looking right at us, is Jack Morgan, all-city center and elected captain of the team.

Upper right gives us another look-in on a heated battle. The menacing Redskins in the

picture are, from left to right: Noble Sievers, Jim Hinga making the tackle, Bill Love, Al Rossetter, Jack Morgan and John Bauerle.

All lined up and rarin' to go is the varsity, shown in the spread of individual shots from left to right.

Claiming possession of the ball in a manner most effective is Pat Barley, for two years an all-state guard. Dean Marks, fast and brawny halfback, takes a pass from center. Jim Hinga, glue-fingered end, gathers in another long pass, most likely thrown by Al Gunkler, halfback.

Mike Bojinoff, hard charging all-city fullback, evidently is expecting something—maybe the ball. Paul Trebra, lanky end, snags another one. "They shall not pass" this brawny tackle, Dick Bouillon. Big Bill Boedeker gets away another long boot. Another tackle who stopped a lot of opposing ball carriers, all-city Al Rossetter.

Kay Short, all-city quarterback, punts it away. Bill Love, fiery guard, provides the closeup.

Nulfmenn Reap Good Harvest

By JOHN ROUSSEAU

"Six won, two tied, and one lost"—that is the record compiled by this year's edition of the Redskin football eleven. Under the able tutorship of Bob Nulf, who for some reason always produces a winning team, the Northern squad rolled up 163 points while holding the opposition to an insignificant 77. But let's see how it all came about.

AUGUST 25—Old Father Time checked and decided "Twas Autumn" as sixty-five North Side boys turned out for initial football practice. With

only three regulars, Kay Short, Pat Barley, and Mike Bojinoff, returning from last year's state championship eleven, Coach Bob Nulf and his assistant, Brother George, will be faced with the task of building an almost entirely new team. The Nulf policy of planning years ahead, however, should provide North Side with another brilliant eleven.

SEPTEMBER 12—South Bend Municipal Stadium—An inexperienced but game band of Redskins staged an inspired last-minute touchdown

THE LEGEND 1942

drive to tie Riley of South Bend in the season opener, 13 to 13. Riley drew first blood when they blocked a North kick and scored in the opening quarter. Al Gunkler scored the first touchdown of the season for the Red when he smashed over for a score in the third stanza but the try for point failed and North trailed by one point. Another Riley touchdown in the last quarter apparently put the game on ice for the Benders, but a fighting North Side team, sensing a defeat in their first encounter, turned on their passing attack and Hinga caught a long heave from Gunkler to score. Boedeker's conversion of the point was good and the final gun saw the score tied at 13-all.

North with one touchdown apiece.

SEPTEMBER 26—North Side Athletic Field—The Nulfmen opened defense of their city series crown, won last season, by downing Central Catholic in a hard-fought game, 12 to 0. After battling on even terms for the first half, North steamed up and scored a touchdown in each of the two remaining quarters. Pat Barley, stellar guard, was injured on the first play of the game and was unable to see further action. Kay Short, injured in the opener with Riley, was still out of the lineup. Gunkler and Bojinoff tallied one touchdown apiece for the Red cause.

First Row: Mansfield, Smiley, Bojinoff, Bouillon, Rossetter. Bauerle, Love, Barley, Diss, Morgan, Populorum, Smitley, Gunkler.
 Second Row: Tetlow, Hess, Staak, Follis, Sievers, Keim, Wisman, Trebra, Marks, Shilts, Hinga, Oetting, Boedeker.
 Third Row: Firestine, Leazier, Short, Hinga, Andrews, Lemmel, Baum, Chrzan, Copelen, Himelstein, Welkin, Hatfield, Hathaway.
 Fourth Row: Fagan, Shumaker, Canfield, Shepherd, Walker, Frazier, Etter, Thomas, Fox, Maloley, Stillpass, Mahlan, Fernandez.
 Fifth Row: Chatfield, Pettit, Borkenstein, Todd, Henry, Moring, Vogel, Heath, Altekruise, Ropa, Carpenter, Gaunt.
 Sixth Row: Church, Rice, Scheibenberger, Heine, Felger, Wiebke, Hiles, Morrow, Parrott, Whitehurst, Stewart, Leiniger, manager.
 Seventh Row: Smiley, manager; Schick, manager; Mattes, manager; Assistant Coach George Nulf; Grimm, manager; Coach Bob Nulf; Dolsen, manager; Walborn, manager.

SEPTEMBER 19—North Side Athletic Field—North Side's Redskins tasted victory for the first time as they downed an aggressive aggregation from Mishawaka, 18 to 14. The Indians looked impressive as they rolled up an 18-to-0 lead, but the Maroon threw a scare into the Red by punching over two quick touchdowns in the last quarter. North braced to win, however, 18 to 14. Bojinoff, Boedeker, and Hinga took scoring honors for

OCTOBER 3—North Side Athletic Field—Central's Tigers handed North Side its first defeat in sixteen starts as Red Sitko sparked the Blue to a 25-to-7 triumph over the Red. The dynamic Emil scored all of the Blue's points by running over four touchdowns and booting an extra point. Al Gunkler turned in a fine exhibition of open field running when he scored North's only touchdown. So ended North Side's domination of city football.

Harvey Hathaway and Don Diss prepare to block for Noble Sievers, carrying the ball.

OCTOBER 10—South Bend Municipal Stadium—North Side steamrolled to a 26-to-0 victory over John Adams of South Bend. The Red were held scoreless in the first quarter but came back to score two touchdowns in the second quarter and one more in each of the last two stanzas for an easy win. Boedeker scored two, Gunkler and Marks tallied one touchdown apiece, and Kay Short converted two extra points in running up the Redskins' total.

OCTOBER 17—North Side Athletic Field—Cathedral of Indianapolis came to Fort Wayne determined to take the Red scalp, but was unable to get going against the high-powered attack of the Northerners and absorbed a 33-to-6 shellacking. Gunkler scored two, and Bojinoff, Smitley, and Marks made one touchdown apiece for the Red cause. Short added three conversions to the aggregate.

OCTOBER 25—South Side Stadium—A warm fall afternoon inspired an already hot North Side eleven to an even greater heat as they took down their second city series victory at the expense of South Side's Archers, 20 to 0. Gunkler tallied two

and Bojinoff scored one touchdown for North. Boedeker kicked two points from placement.

OCTOBER 31—Kokomo Playing Field—Cold rain failed to cool the attack of North Side's powerful Redskins as they pounded out a 21-to-6 victory over Kokomo's Wildcats on a muddy and rain-swept field. Bojinoff scored two touchdowns and ran an extra point over, and Boedeker scored one touchdown and ran over two extra points. The victory proved a costly one as Bill Love, tough little guard, suffered a broken ankle, forcing him out of the lineup for the final game of North's season.

NOVEMBER 7—North Side Athletic Field—As the Redskins opened their season, with a 13-to-13 tie with Riley, so did they end it, with a 13-to-13 tie with Goshen. The Northerners tried desperately to close their season with a win and might have done so but for the efforts of Whitmer, Goshen back, who turned in two long touchdown runs to keep his team in the running. Bojinoff and Gunkler scored a touchdown apiece and Short place-kicked the extra point.

POST-SEASON—Jack Morgan was elected honorary captain at a meeting of the varsity players. The coaches of the four city high schools and the sports scribes of the two local papers picked Pat Barley, Mike Bojinoff, and Jack Morgan on their all-city team. Jim Hinga, Al Rossetter, Kay Short, Al Gunkler, and Bill Boedeker were named to the second team.

Pat Barley, for the second straight year, gained all-state recognition by being named to Heze Clark's all-state second team.

The thriller with Goshen was the last game for many of North Side's grid stars. Mike Bojinoff, Bill Boedeker, Al Gunkler, Kay Short, Paul Trebra, Al Rossetter, Pat Barley, Jack Morgan, Dick Bouillon, Bill Love, Jim Hinga, Don Diss, Louis Staak, and Dean Shilts will all graduate.

Although an entire first string will leave in June, a lot of promising underclassmen will carry on North Side's football traditions.

Harriers Capture State Title

By HARRY HILL

Standing headline: "North Side's Harriers Win Again."

Yes, that's the whole story.

The Redskins, in the course of eight weeks, defeated all the tough teams in the state. As a reward for their achievements, the Indians were proclaimed the Big Sachems of the Northern Indiana Conference and Indiana State Champions. They were invited to participate in the National Prep School meet in New Jersey, but were forced to decline because of Hoosier regulations.

North's harriers, in winning the eight scheduled

meets of the campaign, stretched their win streak to thirty-four consecutive dual victories. They have not been defeated in a two-way meet in five years. Not a bad record for a bunch of school boys!

Coach Chambers, who states that this team is the best high school squad he has ever heard of in Indiana, is given much of the credit for the fine showing of the State Champs. Rollie is expecting an equally great season next year.

Coach Chambers awarded major varsity letters to Hawk, Lichtsinn, Heller, Swager, Hill, Saylor, Bourke, and Gibson.

Fall Begins Lettermen's Activities

By HARRY HILL

North Side's Lettermen enjoyed another successful year of activity under the guidance of the club advisers, Miss Julia Storr, and the Messrs. Bob Nulf, George Nulf, and Rollo Chambers. In co-operation with the officers of the organization, Kay Short, president; Harry Hill, vice-president; and Jim Snook, secretary, these faculty members helped those big, burly N-men to a successful season.

On the Saturday evening after the first basketball game, the Masonic Home clash, the Lettermen held their annual dance. Royal Jackson's orchestra played for the affair. N-men who aided in the success of the social event were Don Diss, Dick Biggs, Don Swager, Dave Bourke, Bob Douglass, Jim Hinga, and Pat Barley.

The big event of the year was the annual banquet, held on December 20. Success of the program always depends upon the mothers of the athletes and upon the ex-members who attend and participate in the festivities. This year, many old-timers were responsible for the smooth operation of activities. John Walley, one of Bob Nulf's mainstays of not-too-long-ago, kept plans moving in his capacity as toastmaster. Coach Hermon Phillips, track mentor at Purdue University, presented the address of the evening. His talk dealt very appropriately with the athlete's part in national defense.

The program committee, composed of Dave Saylor and Don Swager, arranged for a period of silence during the banquet in honor of deceased Redskin lettermen. Other committee chairmen who helped in arranging the affair were Jim Snook, Dick Biggs, and Don Diss.

Miss Storr was honored by the club members by being presented a life membership as Mother of all North Side Lettermen. This action was a token of the appreciation felt by her boys for all the work she has done for them.

Fall, Winter, or Spring, it doesn't matter, the Student Council still carries on its many duties regardless of seasons. From the first week of school, when representatives are elected, till the last week of school, which ends the Student Council year with the annual picnic, the Student Council is busy discussing important matters of school problems and planning campaigns to make students of North Side more friendly and better citizens.

This year the activities of the Council were directed by Dave Saylor, president; Wayne Meek, vice-president; and Jane Evans, secretary. As never before, many members responded to various committees, and with many members qualified for acting as chairmen of these committees, the Student Council enjoyed a highly successful year.

On the calendar, for the fall and the beginning of the winter months, the Council had scheduled the following activities: "Back to School Night", Armistice Day assembly, and the decorating of the Christmas tree. "Back to School Night" is sponsored annually by the Parent-Teacher Association with the assistance of the Student Council. Don Swager was chairman of the Armistice Day assembly.

In December, Room 310 was opened the fifth period for the rest of the winter, to serve as a recreational room for all those who lunched at school.

The winter and spring program for the second semester included the following activities: "Get Acquainted Day", February 13; Courtesy Week, March 10-14; General MacArthur Day, March 24; and Junior High Day, in May. "Get Acquainted Day" was run off with more enthusiasm by Harry Hill and his committee than it has been in any other year of this annual event at North Side.

Wayne Meek, the Council's vice-president, was general chairman of the popular Courtesy Week.

The Student Council feels that the school year just past was successful.

North Side Junior Red Cross Chapter under the direction of Miss Marie Miller, Miss Hazel Plummer, and Miss Judith Bowen, faculty advisers, began active service in November. At that time, with Juanita Werling in charge, they decorated and filled twelve Thanksgiving baskets of food for needy families. Prior to this they held a skating party at Bell's Rink and a "Tin Can Hop" dance at North Side to procure the money and food needed to fill the baskets. Betty Davis was chairman of both affairs.

The annual penny drive to obtain members for the National Red Cross was also held in November. Marilyn Vachon's membership committee sponsored a successful membership drive in December. A

Red Cross workers pose on the steps before delivering their annual Thanksgiving baskets to needy families.

Christmas Party was given for the whole club by the team which secured the least number of new members. Presents were brought to fill the baskets of food given at Christmas.

On January 16, a dance after the Central Catholic-North Side game was given with Jeanne Abbott as chairman.

The club placed even more emphasis than usual this year on production and service because of the world crisis. Betty Gray and Mary Ann Dye, chairmen of the production committee, gave many favorable reports on the fine work the members have done, sewing dresses, knitting sweaters and afghan blocks, and making quilts.

The Red Cross with the Mariners and the Student Council held a campaign to collect scrap metal. Tin foil and tooth paste and shaving cream tubes were particularly desired. The students co-operated and the drive was successful. Joan Buesching was chairman.

The officers of the club for the first semester were: Joan Buesching, president; Gene Blaising, vice-president; Barbara Morton, secretary; and Phyllis Holle, treasurer. Gene Blaising was president the second semester; Marilyn Vachon, vice-president; Wanita Kreig, secretary, and Pat Igoe, treasurer. Wanita Kreig and Joan Buesching were downtown council representatives the first and second semesters.

June, 1942, and The Northerner has ended another year of activity, having added more laurels to its many past honors.

Quill and Scroll awarded the paper the International Honor Rating, the highest rating obtainable, last fall. Again this spring, the paper was honored by receiving the highest rating which is awarded by the Columbia Scholastic Press Association, medalist rating. The Northerner also captured first place in the first division of the Indiana State High School Newspaper Contest.

Bob Thornhill, business manager, received the coveted Quill and Scroll National Creative Writ-

ing Medallion for advertising writing, while Jane Evans and Doris Lare won honorable mention in news writing and head writing.

Under Miss Rowena Harvey's capable leadership, the paper broke all previous circulation records. An all-time record was set last fall when Joan Nieter and her staff obtained 560 subscriptions the first day of the campaign, secured fifteen 100 per cent home rooms, and captured the circulation cup with a total of 1235 sales. Once again this spring, the circulation staff, headed by Ann Naus, broke all past spring records with 1138 subscriptions and won the circulation cup for the eighteenth time.

Boosters Manufacture "Pep"

By ROSEMARY KRYDER

"We're going to sell behind the stand tonight!" "Aw, you were there last week." "Oh, well, we'll take ice cream bars around." "We'll take candy and gum. It's more fun mingling with the people anyway."

This is a typical conversation one might hear in the Booster Room when those enterprising young Boosters are getting ready for a big evening. A big evening includes enthusiastic cheers, led by our cheer leaders, handling capacity crowds who are hungry, and generally seeing that a good spirit prevails. In the fall the Booster Club starts its work by electing officers. Naturally, the football season is a big event for the Booster Club. The boys and girls plan and execute the selling of amazing quantities of refreshments. If one works long enough these crisp football evenings, a reward is a season pass to the following athletic events. Oh! How they work!

Of course, the Booster Club is a very popular organization and as a result boasts 135 members. One of the very big events of the year is the Booster Banquet. All the arrangements this year were under

The Booster Club is so well established because of its leaders. Those elected to serve as officers the first semester were: Jack Wehrenberg, president; Betty Lou Hilpert, secretary; Lucille Edsall, point recorder; and Bud Nieter, pep session chairman. The second semester the officers elected were: Jack Wehrenberg, president; Marianne Joss, secretary; Lucille Edsall, point recorder; and Bud Nieter, pep session chairman. A heap of praise goes to Donald Wolf, who was Booster's capable business manager. The adviser and person to whom the club looked for guidance throughout the year was Mr. Noel Whittern.

"Listen, my children, and you shall hear

All about Professor Thomas' Phy-Chemisters"—

Since it is one of the most unusual clubs in North Side, Phy-Chem members participate in some of the most unusual activities of any other group in the school.

Of its fifty-some members, there's not one of them who is not an ambitious and diligent worker. Each member must have taken either physics or chemistry at one time or another in his high school life. In chemistry one finds out how to make new substances and the reasons why these reactions take place, and in physics, one learns not only how things happen but why they occur as they do.

This club has been organized by Mr. Harold Thomas and Mr. Rolla Chambers for the purpose of stimulating more interest in the two subjects. The club sponsors parties, picnics, field trips, and various other means of making social contacts.

The officers for last semester were Sterling Keyser, president; Patsy Bane, vice-president; Ernie Baade, secretary; and Bob Heyman, treasurer. Bernard Frankenstein, who was elected treasurer, resigned in favor of Bob Heyman. Jeanne Tobias was named

publicity chairman for the year.

The first social function sponsored by the Phy-Chemers was a skating party held October 22 at Bell's Rink. The skate was a grand success. Hal Dole received a Phy-Chem pin for having sold the largest number of tickets, and Jeanne Tobias was awarded a year's free membership to the club as a second prize.

Officers elected for the year were Evelyn Pennington, president; Sterling Keyser, vice-president; Patsy Bane, secretary; and Louis Staak, treasurer. Sterling Keyser, who resigned his office because of various other activities, was succeeded by Jeanne Tobias.

Sound demonstrations were given by Mr. Claude Summers, chief engineer at the General Electric Company. He brought with him various instruments wherewith the club members were shown sound waves.

"What's cooking?" is a general question used among the girls of the Home Economics Club. This club has many interesting features and you can readily see the benefit derived.

The officers of this "the way to a man's heart is through his stomach" organization, are president, Marjorie Linker; vice-president, Mary Altekruise; secretary, Leona Engelbrecht; treasurer, Mary Alice Baysinger and Betty Hedden, student council. Standing committees are: Program, Janet Oswald, BettyLou Bookout, Leona Engelbrecht; social, Betty Bussing, June Goldsmith, Helen Sievers, Mary Altekruise; publicity, Virginia Till.

At the beginning of the year the club formed two teams for a membership drive, the losing team giving the winning team a party. Mary Altekruise and Betty Hedden were captains, and Mary Altekruise's team gave Betty's team a party.

Meetings are held every other week on Thursdays. At Christmas time we had a party in the apartment, with Janet Oswald as general chairman of the affair. There was a gift exchange, and in addition each girl brought a gift for a smaller child. These were collected and sent to the Pixley Child Relief Home.

On April 16 of this year, we gave a Mother-Daughter Tea. This was held in the form of a style show, and a movie on the select cuts of meat was shown. The girls of the club modeled fashions from the beginning of a school girl's day until

that last dance is danced with that "one and only." Marjorie Linker was general chairman, with the following committees: decorations, Phyllis Lepper, Ruth Weiler, Bonnie Herrman, Betty Hedden, June Goldsmith, Billie Crooks, Donna Pickett, and Betty Bookout; refreshments, Virginia Till, Betty Bussing, Margaret Ebert, Helen Sievers, Janice Grubb, Mary Draggoo, Betty Rison, and Norma Leininger.

The big project of the year was the selling of paint cleaner to raise money for our Legend picture. Each girl pledged to sell two cans of cleaner and this brought in more than enough.

The biggest event of the year is the formal banquet at the close of the school year. This always tops things off and we are hoping it will be a better and bigger one than last year's. Last year a very interesting program was planned, consisting of the club prophecy and will, and other entertainment furnished by members of the club.

So girls, if you are thinking of entering the realm of matrimony, join the Home Economics Club.

Hi-Y Lives Up to Hi Standards

By JACK SHEAK

One of the most prominent clubs in the activities of North Side is the Hi-Y Club. It is a club for boys only. The purpose of the club is to "maintain, create, and extend throughout the school and community, high standards of Christian character." Also the slogan of the club here at North Side is "The Four C's, Clean living, Clean speech, Clean sports, and Clean scholarship." These are the ideals of every true Hi-Yer.

The Hi-Y Club is a nationally known club, having been organized over fifty years ago in Kansas. The North Side chapter of the Hi-Y has played a part in the organization for over ten years. The club itself was organized in the city of Fort Wayne twenty-two years ago.

The club has traditionally met once a week since it has been functioning at North Side. This year, however, during the last semester, it has met only once every two weeks. The meetings are held every other Thursday night at 7:30 p.m. at the club room at the YMCA. The boys are given the use of the game room and also occasionally have a swim in the Y pool.

This year the boys have enjoyed several educational and inspiring talks. Mr. Thomas, the chemistry teacher at North Side, gave a talk on synthetic rubber and the advances in the chemical field. An inspiring talk was given by the Rev. Samuel E. Carruth, minister of the Forest Park Methodist Church. Motion pictures were presented by Mr. Ivy on his trip to the North. Mr. Leonard of the YMCA also assisted with several of the meetings.

The two members of the faculty who are the advisers of the club who have the pleasant but sometimes difficult responsibility of keeping the club together are Mr. Herring and Mr. Breeden.

Impressive and appropriate ceremonies are held at each installation of the officers. During the first semester, Louis Staak served as president; Dick

Winter Comes

to North Side

816697

Winter introduces to us the members of the sophomore class, who are completing their second year at North Side. They are now acquainted with the school life, and they are stepping into an advanced status. They are at the half-way mark, and with determination they travel down the road to success.

Winter also brings into the spotlight the many basketball games at which time the Red-skin fans spend many Saturday nights in enthusiastic cheering. Intramural sports are also the center of interest during this season.

Many organizations are heartily supported by the ardent members of the four classes. The clubs shown in this section of the book are especially active during the winter season. These organizations enlist the support of the students so that they can partake in such activity.

Sophs Struggle Through Icy Blasts on Way to Top

Standing in the foreground are Sophomore class advisers Miss Katharine Rothenberger and Mr. Rollo Mosher. Class officers standing in the background are, from left to right: Jack Neff, social chairman; Bill Hinga, president; Dave Benninghoff, vice-president; Jim Tetlow, secretary-treasurer.

Roaring and howling, we, the Sophomore class, started our year like a blinding snow storm—cocky and quite sure of ourselves.

Looking back, our year has been a very successful and an unusual one. We are proud of our achievements and even prouder of what is to come, for we know we will push ahead to even greater lengths.

We've had our trials as all classes do, but we feel that we have overcome our difficulties with a great amount of success. We shall attempt with a feeling of fulfillment and without regret to relate our deeds and our doings. Much of the credit for a successful year goes to the capable leadership of Bill Hinga, president; Jack Neff, social chairman; Jim Tetlow, secretary-treasurer; and Dave Benninghoff, vice-president. Miss Katharine Rothenberger and Mr. Sam Mosher acted as advisers.

Our first social event was the Sophomore Party, for which Jack Neff and Bill Hinga acted as co-chairmen, assisted by Nancy Saylor, Dorothy Winje, Jeanne McGill, Dave Benninghoff, Eugene Himelstein, Jim Field, Jim Tetlow, Ashley Hawk,

and Ina Nahrwald. It was a great success, acquainting the Freshman class with North Side and its activities.

Forgetting the "social whirl" for a moment, we find the principal and the dean ably assisted in governing the student body by the following elected Sophomore representatives to the Student Council: Loretta Worden, Bill Brown, Ina Nahrwald, Mary Louise Bostick, Pat Carroll, Jim Field, Jim Morton, Wayne Linnemeier, Jack Waggoner, Phyllis Holman, Bill Salzman, Tom Deitschel, and Martha Hughes.

Of all the Sophomore home rooms, 116 has the highest scholastic rating, while 117 follows close behind. The members of Room 116 who rank high in scholarship are: Carol Tapp, Don Taylor, Jim Tellman, Harold Thomas, Doris Thornhill, James Tinker, Joan Tinker, Ray Tinkle, Bud Tonkel, Ruth Tonkel, Donald Trebra, Gratia Warner, Maurice Vose, Jack Waggoner, Dorcas Wallace, Lois Wass, Paul Wehnert, Dick Werling, Clifford Voelker, Eberly Van Wey, Alice Smith, June Snyder, Betty Spaulding, Edward Sperr, Frank Staley, Corine

Ninth Row: Mary Julia Gottschalk, Betty Grodrian, Gordon Graham, Marcille Grote, Ellen Green.

Wallace, Dorothy Hayes, Betty Eversole, Virginia Krudop, Alice Carlson, Sheila Schomp, Jeanne Nicholas, Sally Cruse, Jim Field, and Margaretta Horner.

The 1500 Club requires that a student has earned at least 1500 points on publications work. Those who have obtained membership to this club are Charlotte Buesching, Bette Joss, Dorothy Winje, Bob Bayer, Ed Blair, Suzanne Buckner, Alice Carlson, Sally Cruse, Martha Dole, MaryAnn Dye, Jim Field, Doris Lare, Virginia Robinson, Nancy Saylor, Jeanne McGill, and Sheila Schomp.

Several Sophomores who have contributed their musical abilities to Mr. Chance's department have become able members of A Cappella, Training Choir, Band, and Orchestra. A Cappella members are Suzanne Buckner, Lila Lee Childers, Beverly Crowell, Virginia McGahey, Nancy Saylor, Eugene Shambaugh, Jeanne Nicholas, Phyllis Krumbigel, and Mary Lou Williamson.

Training Choir members are Leland Berning, Mary Ann Dye, Barbara Eversole, Priscilla Fortmeyer, Ann Gardiner, Lois Grepke, Betty Grodrian, Clarence Hanson, Martha Hughes, Helen Jackson, Carol Kirk, Joan Leighty, Don Longworth, Joe McAllister, Norma Murrel, Delores Moore, Dick Nichols, Roseland Nidlinger, Glenna Plasterer, Gloria Reed, Virginia Robinson, Sheila Schomp, Norma Self, Corrine Stark, Dorothy Struver, Jim Tinker, and Joan Tinker.

Band members are Cary Baker, Leland Berning, Betty Beagle, Ralph Clarke, Glen Clifton, Carl Holcomb, Dick Horning, Frank Lehman, Don Longworth, Bob Penn, Ilene Rabbitt, Dick Richards, Eugene Shambaugh, Paul Wehnert, Dick Werling, and Maurice Vose.

First Row: Richard Greims, Ralph Griffith, Joan Grimme, Betty Haney, Richard Hannum.

Second Row: Clarence Hansom, Margie Harris, Bill Hatfield, Dallas Haycox, Richard Heathman.

Third Row: Darrel Helmuth, Dick Henog, Walter Heym, Joe Hillas, Eugene Himelstine.

Fourth Row: Bill Hinga, John Hinton, Doris Hofer, Phyllis Holman, Dave Hoopengardner.

Fifth Row: Janell Hooper, Margaretta Horner, Dick Horning, Clara Howard, Martha Hughes.

Sixth Row: Fred Hunter, Bette Joss, Helen Jackson, Suzanne Jackson, Norma Jefferies.

Seventh Row: Don Jenne, Alvin James, Mildred Kasimier, Bob Keim, Milton Kellermier.

Eighth Row: Don Keppler, Betty Kochert, Carol Koch, Arlene Koehlinger, Virginia Krudop.

Ninth Row: Phyllis Krumbigel, Boyce Lambert, Bill Lamson, Ralph Landis, Doris Lare.

Orchestra members are Fred Barthold, Betty Beagle, Dick Horning, Norma Murrell, and Eugene Shambaugh.

Twirlers who have thrilled spectators at the different sports events deserve recognition. These girls have worked hard to improve the school spirit of the student. They are Beverly Crowell, L. Childers, Babs Leonard, Joan Sutton, Polly Stokes, Phyllis Alliger, Marcella Grote, Betty Davies, Carol Tapp, Betty Mitchell, Joann Leighty, Norma Jefferies, Phyllis Krumbigel, and Martha Hughes.

Sophomore students who have exceptional literary ability have shown their talents by joining the Helicon Club. They are Dave Benninghoff, Mary Jane Brower, Alice Carlson, Lila Lee Childers, Connie Conklin, Norma Day, Martha Dole, Phyllis Edwards, Priscilla Fortmeyer, Mary Julia Gottschalk, Doris Hofer, Iona Hamlett, Darrell Helmuth, Phyllis Holman, Margaret Horner, Dick Horning, Joann Leighty, Sidney Lyons, Joan McClain, Virginia Robinson, Nancy Saylor, Donna Tibbitts, James Tinker, Jack Waggoner, and Loretta Worden.

Helping to steer North Side into the lead in the sports world are the sophomore boys, Bob Keim, Allen Haplen, Bob Wilkin, Tom Deitschel, Ray Ehrend, Ash Hawk, Freeman Longardner, Ray Tinkle, Louis Andrews, Howard Heiny, and Bill Hinga.

Jim Field, Jim Tellman, Carl Penningroth, and Ed Blair were interested in showing off their back hand in the tennis tourney.

While the boys were reaping honors for North Side, the girls were close behind. Girls who are members of the G.A.A. are:

First Row: Lois Lautenberg, Richard Lee, Joan Leighty, Harold Leininger, Norma Leininger.

Second Row: Betty Lemmel, Betty Lemmert, Dorothy Lemmert, Donald Libey, Gertrude Linne-meier.

Third Row: Wayne Linnemeier, Dorothy Lein-inger, Barbara Longardner, Ruth Lowden.

Fourth Row: Bill Luhman, Doris McAdams, Charles McAtee, Joan McClain, Eunice Mc-Clymonds.

Fifth Row: Edward McConkey, Thelma McCoy, Monselle McCormick, Jeanne McGill, Hal Morey.

Sixth Row: Don Martin, Alden Marvel, Gloria Matchette, Anita Maxie, Helen Maxie.

Seventh Row: Ruth Metz, Betty Mitchell, Rose Marie Moeder, Dick Mommer, Mary Louise Moore.

Eighth Row: Georgene Morkes, Jim Morton, Donna Moss, Francis Moyer, Beverly Myers.

Ninth Row: Ina Nahrwald, Jack Neff, Marian Nelson, Jeanne Nicholas, Elvira Nomary.

Donna Blaising, Shirley Boedeker, Sally Cruse, Eleanor Cantrell, Dorothy Cart-wright, Lila Lee Childers, Lorraine Fritz, Betty Ann Gaskill, Ellen Greene, Lois Grepke, Joan Grimme, Betty Grodrian, Pat Hawthorne, Dorothy Hayes, Margaretta Horner, Rosemary Hugo, Norma Jefferies, Helen Jones, Virginia Krudop, Joann Leighty, Dorothy Leininger, Ellen Martin, Eunice McClymonds, Thelma McCoy, Doris McKeefer, Betty Mitchell, Janet Ogden, Shirley Olson, Elaine Reynolds, Margaret Schaaf, Norma Self, Maxine Shaffer, Gladys Shipman, Aurelia Shelly, Corrine Stark, Joan Stillwell, Dorothy Struver, Doris Thornhill, Ruth Tonkel, and Rosemary Wyss.

Several sophomore girls are interested in scouting. Those girls who have joined the Mariner scout troop are Mary Ann Dye, Dorothy Winje, Bette Joss, Jeanne Mc-Gill, Virginia Robinson, Sally Cruse, and Nancy Carol Saylor.

Many Sophomores are spending long hours in winning laurels for our class and the speech department. Those who have become members of National Forensic League are Mary Louise Moore, Virginia Erne, Norma Self, Sheila Schomp, Doris Thornhill, Leland Berning, James Field, Bill Sandwick, Eugene Himelstein, Dave Benninghoff, Lois Reinking, Delbert Auman, Tom Harris, and Nancy Bobilya.

The little brothers of these mighty speak-ers are members of the Junior Forensic League. Students who aspire to be out-standing in speech work are Arline Koeh-linger, Nancy Bobilya, Jack Bauser, Betty Lou Boegli, Joanna MacBeth, Marion Nel-

son, Norma Self, and Mary Jane Brower.

Helping to make the first impression a lasting one are the Sophomore members of the 400 Club: Phyllis Alleger, Delores Brock, Norma Jefferies, Helen Jackson, Bonnie Sharp, Dick Werling, and Maxine Johnson.

Where is the United States located? Where is the Mississippi River? Where is the Corn Belt? Where are the Rockies? The Geography Council members would know, so try asking some of these Sophomores: Lorraine Fritz, Geraldine Funk, Jacquette Hoopingartner, Suzanne Jackson, Doris McAdams, Ilene Rabbitt, Georgia Scott, Dorcas Wallace, and Lois Wass.

Assisting the librarian in checking books in and out are these girls from the Sophomore class: Patsy Bresnahan, Lois Buechner, Helen Ehinger, Phyllis Holman, Dorothy Leininger, Doris Ostrander, Norma Robb, Betty Spaulding, Dorothy Struver, and Mary Williamson.

We have many students in our class who are interested in art and have shown their talent by joining the Art Club. Several Art Club members have contributed unusual posters to adorn the halls of our school. These are Ed Blair, Betty Cartwright, Bill Lamson, Roger Moore, Paul Wehnert, Donna Tibbitts, Babs Brosher, Phyllis Cook, and Yvonne Sharp.

An eye for beauty is had by all the members of the Camera Club. They snap shots of every imaginable scene. The Sophomores can boast of these members: Lois Chrisman, Jim Gooley, Betty Berry, Paul Roembke, Ralph Dunn, Harold Thomas, Dick Mommer, Paul Scherer, Mary Pap-

First Row: Maxine Shaffer, Virginia Sickanis, Bob Silver, Aurelia Skelley, Alice June Smith.

Second Row: Agnes Smithers, Alice Smithers, Betty Spaulding, Ed Sperr, Corrine Stark.

pas, and Delbert Auman.

Our loyal boosters of North Side school spirit include Nancy Bobilya, Shirley Boedeker, Suzanne Buckner, Charlotte Buesching, Alice Carlson, Pat Cunningham, Martha Dole, Helen Dye, Jim Field, Janall Hooper, Bette Joss, Arlene Koehlinger, Rosemary Didier, Gertrude Linnemeier, Donna Moss, Joan McClain, Jeanne McGill, Al Novitsky, Shirley Olson, Lois Reinking, Nancy Saylor, Elizabeth Tone, Dorothy Winje, Joan Shoahan, Norma Schoppman, and Sally Cruse.

Pan-American Club, the newest organized club in North Side, boasts of several sophomore members. They interest themselves in the affairs of our southern neighbors. Those who claim membership are: Marjorie Valier, Bill Lamson, Norma Rosen, Vivian Plumb, Sheila Schomp, Delbert Auman, Gratia Warner, Virginia Erne, Joan McClain, Betty Grodrian, Fred Hunter, Mary Jane Brower, Norma Self, Dick Horning, Doris Lare, Joan Leighty, Eugene Himelstein, Virginia Krudop, Sally Cruse, Phyllis Holman, Doris Hofer, Mary Ann Dye, Marjorie Brundige, Dave Benninghoff, and Margaretta Horner.

The Sophomore class is looking forward to its two remaining years. If they are as successful as our last year's have been, we can proudly say, "The Class of '44 will be the best graduating class ever to come out of the portals of North Side High School." Let's keep up the good work, Sophomores!

Famous Sophs of Our Time

Top Row, left to right: Jack Neff and Jim Tetlow apparently find something interesting (or amusing) about Bill Sandwick. Herky Sandwick flashes a quick grin while Sue Buckner tries to affect that "school-girl twist."

Second Row: Nancy Hayner and Sid Lyons look happy about the whole thing. Jim Field learns about the manly art of self defense from Charlotte Buesching and Nancy Saylor. Presenting one of those so-familiar locker scenes are Ed Blair and Mary Ann Dye.

Third Row: Sally Cruse "makes up" while Dave Benninghoff sits by, pleasantly bored. At least Bill Hinga looks human—Andy Andrews is the lad caught unawares. Martha Hughes, the tree, and Sheila Schomp make a cute threesome.

G.A.A. Provides Indoor Recreation

By BERTHA COUDRET

Winter holds no terrors for the girls of the Girls Athletic Association of North Side, better known as G.A.A. For no matter what the season or weather, the members of this organization have fun and keep busy.

Fortunate is the girl indeed that has earned enough points to receive her "N", so she can hurry down to buy her red sweater to sport her white "N" while ice skating. This year, due to defense efforts, the Winged N was replaced by a Blocked N with a red star. The numerals were also changed, and the girl earning numerals will receive only the last two

numbers of her graduating date instead of the entire date.

G.A.A. began its activities this year capably advised by Miss Hilda Schwehn and Miss Margaret Spiegel. Jean Nichols presided at the business meetings, assisted by Betty Puff, vice-president and social chairman; Ruth Bolyard, secretary-treasurer; Janice Grubb, point-recorder; Flora Gaff, senior representative; Mildred Rathert, junior representative, and Lila Childers, sophomore representative.

Tennis was the first sport in the fall. Flora Gaff defeated Betty Puff, last year's winner of the junior

division, to cop the senior championship. Betty Gaunt was the winner of the junior division, while Lila Childers defeated last year's champ, Eleanor Cantrell, for sophomore honors. Margaret Canfield started her freshman year out right, by winning the laurels for the freshman class.

Last spring, the girls participated in a track meet. High point winners included Flora Gaff, Elizabeth Jones, Joan Leighty, Glendora Martin, Beverly Wiegman, and Jean Nichols. Last year's freshmen won the track meet, with the juniors and the sophomores trailing.

About this time, thirteen girls that had practiced for thirteen weeks passed their Junior or Senior Life Saving tests.

Volleyball, one of the major sports of the calendar, gave its honors to the Senior A team composed of Nata Prince, Betty Puff, Dorothea Lagerstrom, Ruth Schuelke, Dorothy Beighley, Flora Gaff, Ardanel Cowan, Adella Dunten, and Laurie Archer.

The Penny Carnival on November 14 marked the first social event of the year. The girls' gym and adjoining corridors were filled with entertaining games, fortune telling booths, and side shows. Later in the evening, there was a dance in the cafeteria. Ruth Bolyard was general chairman of this successful event.

Our second social event of the year was the annual Christmas Party given for the under-privileged pre-school children on December 19. Flora Gaff served as general chairman.

January 17 was a memorable date for many members of the organization because formal and informal initiation ceremonies were held in the gymnasium. Virginia Skelly was general chairman.

Basketball champions for this year was a sophomore team composed of Lila Childers, captain, Eleanor Cantrell, Lorraine Fritz, Helen Jones, Joan Leighty, Gertrude Linnemeier, Eunice McClymonds, Betty Mitchell, Shirley Olson, and Aurelia Skelly. They were crowned champions after win-

ning the tournament and a challenge game from the Senior A team.

An outstanding event that North Side G.A.A.'ers looked forward to was the annual Play Day on May 15. Participating were G.A.A.'ers from Central, South Side, and North Side, the latter serving as host. After various games such as ping pong, basketball, and volleyball, a potluck was served in the cafeteria. Janice Grubb was chairman, and the committee chairmen were Ruth Bolyard, Flora Gaff, and Jean Nichols.

A patriotic event of the year was the water carnival. It was held on April 10 and had a military theme. This novel event featured many intricate synchronized swimming movements. A square dance in the water was very unusual, while the intricate designs were very colorful and the life saving stunts were very instructive.

Tumbling played an important role in the year's events. Approximately fifty girls reported for the beginners and advanced tumbling classes. All of the girls participating showed their enthusiasm and ability to do almost impossible stunts.

The event that climaxed the year's social activities was the Spring Banquet honoring the senior members and given by the junior members.

Reminiscence of the past winter months brings forth our active young public speakers, members of Junior Forensic League, who have journeyed the paths of achievement with desired results. As prospective members of National Forensic League, an honorary society for speech students, they have rightfully proved themselves capable.

The club was capably guided during the first semester by Eugene Himelstein, president, with Delbert Auman, Lois Reinking, Doris Thornhill, and Mariyn Curdes holding the offices of vice-president, secretary, treasurer, historian, and publicity chairman respectively.

The Junior Forensic Skating Party is enjoyed by our North Side students.

Dick Blum, who was president the second semester, was capably aided by Leland Berning, vice-president; Jean McComb, secretary; Nancy Bobilya, publicity chairman; Arlene Koehlinger, historian; and Wayne Heath, membership chairman.

An annual extemporaneous speaking contest is held during the fall semester in the auditorium. The winners of this contest were Jim Sandwick, Bill Sandwick, and Eugene Himelstein, placing first, second, and third, respectively. Likewise the Freshman Oratorical Declamation contest is an annual spring event. Flo Ann Brown placed first in that contest and Thane Ford and Dick Blum, won second and third place. In the sophomore division of the oratorical declamation contest, Bill Sandwick won first honors with Eugene Himelstein and Virginia Erne winning second and third place honors.

Following three preliminary rounds at Terre Haute in the State Tournament held March 13 and 14, Eugene Himelstein and Bill Sandwick reached the finals in oratorical declamation, while Norma Self entered the finals in dramatic declamation.

Flo Ann Brown, Bill Sandwick, and Eugene Himelstein competed in the semi-final round at an invitational meet at South Side.

Concluding its round of activities Junior Forensic League held a roller skating party at Bell's Rink where all enjoyed themselves immensely. North Side need never fear the future of its speech department with such enthusiasm shown by the members and advisers of Junior Forensic League.

"Let not a day go by without exercising your power of speech," said the great Henry Clay. Taking heed of this formula for success in life, a group of ambitious Redskins decided to enter speech work. These students followed the rule of Clay so well that they are now members of the speech honor society, the National Forensic League.

The officers of the organization, Russell Cook, president; Tom Johnson, vice-president; Jean Grimm, secretary; Charles Frie, treasurer; Dan Benninghoff, historian; Joan Nieter, publicity chairman; and Eileen Worden, point recorder, enjoyed a successful year with the helpful co-operation of the members.

This year debaters and individual speakers were guided by separate coaches for the first time. Mr. Albert A. Coil coached the debaters while the individual speakers worked under the guidance of Mr. Loy C. Laney. The debaters enjoyed a fairly successful season. Participating in debates at Peru were Bob Bayer, Bob Laws, Dick Horning, Jim Field, Enid Burrell, Dave Benninghoff, Wanda Coil, and Dan Benninghoff. In the sectional contest held at the Y.W.C.A. in Fort Wayne, Bob Bayer, Bob Laws, Wanda Coil, and Dan Benninghoff brought high honors to North Side.

The annual Koerber Extemporaneous Speaking Contest was won by Jack Roberts. Other finalists in this contest were Rosemary Kryder, Carl Suedhoff, Jean Grimm, and Allen Kwatnez.

The campus of Purdue University was the site of the first speech trip of the season. Dave Saylor, senator for North Side, was named one of the ten outstanding congressmen.

North Side was host for the annual state extemporaneous and story telling contests. Dave Benninghoff and Thaine Ford ranked high for North Side in the inexperienced divisions, and Tom Johnson, Dan Benninghoff, and Russell Cook ranked high in the experienced.

Allen Kwatnez and Jean Schaffhauser won honors in the Junior and Senior contests. Tom Johnson, Virginia Yount, Carl Suedhoff, Joan Nieter, and Enid Burrell were finalists in Junior contest. Senior finalists were Gloryia Rodahaver, Russell Cook, Irvin Schecter, Jean Grimm, Miriam Waller.

Students, have you ever felt the urge to act? At North Side we put that urge to good use in the Student Players Club, an organization which boasts one of the largest memberships of any club in our wigwam.

Don Aiken, Evelyn Pennington, and Virginia Hofer started the first semester off on the right foot serving as president, vice-president, and secretary-treasurer, under the direction of Miss Margery Suter.

The dramatic season opened with two one-act plays. "One Egg" and "Where But in America." were offered. Jack Wehrenberg, Rosemary Kryder, and Charles Frie put the comedy "One Egg" over by their excellent acting. "Where But in America" was an amusing poke at some of society's little absurdities. The players who did a fine piece of acting were Barbara Hopper, Irvin Schecter, and Evelyn Pennington. These performances were followed by the Christmas play, "The Ghost Story", which was a delightful comedy.

For the second semester Charles Frie was elected president and Rosemary Kryder was elected vice-president. Virginia Hofer remained in the office of secretary-treasurer.

The leads in "Seven Chances", senior play, were taken by that unbeatable pair, Jack Wehrenberg and Rosemary Kryder as Jimmie Shannon and Ann Windsor. Harry Hill had the comedy lead. The supporting cast who gave a grand performance include Jane Evans, Betty Lou Hilpert, Barbara Hopper, Pat Igoe, Evelyn Pennington, Martha Matthews, Bettyruth White, Don Swager, Charles Frie, Irvin Schecter, John Rousseau, and Robert Comparet.

A group of friends try to comfort Rosie Kryder after a good scare during the Christmas play, "The Ghost Story."

Polar Y --- Really Warm Inside

By MIRIAM WALLER

Going back to the days when North Side was still young, we find Miss Mildred Huffman organizing a Girl Reserve club of junior and senior girls. Since North Side was located in the northern part of the city, and since the name suggested cold, a winter name was chosen, Polar-Y. Several years later, the Freshman-Sophomore club was combined with the Junior-Senior club under the present name.

Although Polar-Y suggests coldness, one receives a warm, hearty welcome from the glowing coals of the club.

From September to January, the organization grew under the leadership of Betty Lou Hilpert, president; Miriam Waller, vice-president; Ruth Gocke, secretary; Betty Lou Wilkins, treasurer; Barbara Boone, social chairman; Martha Mathews, service chairman; Marilyn Vachon, membership chairman; Eileen Worden,

publicity chairman; Nadine Waggoner, point recorder; Phyllis Boegli, music chairman; Vivian Westenfeld, pianist.

Gloria Baumgartner was chosen to lead the club as president from January to June. Assisting her were Ruth Gocke, vice-president; Martha Mathews, secretary; Joan Schaberg, treasurer; Miriam Waller, social chairman; Juanita Werling, service chairman; Nadine Waggoner, membership; Phyllis Hardy, publicity; Marjorie Frase, point recorder; Connie Conklin, music chairman; Ruth Mertz, pianist.

For the first semester, Gloria Baumgartner served as secretary of Inter-Club Council, a city wide organization of Girl Reserves. Miriam Waller served as president during the second semester. This group holds meetings once a month when plans for the following month are discussed.

Polar-Y lives up to the Girl Reserve purpose, "To Find and Give the Best" by taking part in many service projects. During October, the club sews for the needlework guild by hemming squares or towels. Baskets filled with food are sent to needy families during Christmas and at Thanksgiving.

Dr. Warmingham enjoys an apple after speaking to the members of the Polar-Y organization at one of the regular meetings.

A Rhapsody? It's A Cappella

By WAYNE MEEK

No matter how cold the weather may be, you will always be warm with a song in your heart. This is the theory the members of the A Cappella Choir follow and they have little difficulty in keeping warm.

The choir's season began in November with a number of concerts based on the Thanksgiving period. They then began their Christmas season, which added a great deal to the choir's prestige. Among those programs given were a half-hour presentation at the Lincoln Tower and a Christmas program presented to our student body. Shortly after the holidays the choir made a trip to Goshen where they gave a concert featured by several solos from members of the choir.

Next came the trip which every member of the choir had hoped for all year, a trip to Indianapolis to hear the Indianapolis Symphony. This topped off a day which included a visit to the Jordon Conservatory of Music where a concert was given by the choir.

Besides these frequent outside engagements, the

Music Department had four regularly scheduled concerts on November 28, February 13, April 17, and May 16. The A Cappella Choir participated in all but one of these concerts. The first concert featuring the training choir, several soloists, and the band, was a huge success. The next one featured the A Cappella Choir in their first home concert. On April 17 the annual operetta, "The Mocking Bird", was given. The leading roles in this year's show were taken by Mary Euphrat, Don Meeks, Jean Schaffhauser, Richard Nichols, Jean Perry, Esther McComb, Joan Forsythe, Wanda Coil, Pat Igoe, Jack Long, Henry Mundt, Kenneth Holcomb, James Whonsettler, Joan Gladback, and Pat Grant.

The choir finished their regular concert season with the annual spring festival May 16. This was a gala affair with choirs from nearby cities and counties participating.

Throughout the year the choir's work was enlivened by several parties, usually given at the home of their popular director, Varner M. Chance. The activities for the year were ended by a combination potluck and farewell party at which the senior members of the choir were honored.

400 Stresses Courtesy, Manners

By GLORYIA RODAHAVER

Winter brings snow, cold weather, and the 400 Club.

"Now let me see. With what fork shall I eat my salad?" This question and many more questions on etiquette are answered in the sessions of the 400 Club.

Under the friendly and helpful guidance of Miss Katharine Rothenberger, the 400 Club has successfully attained its goal. It has aided many North Side students who have had problems dealing with etiquette.

The club's purpose is to make North Side students etiquette and courtesy wise and to answer any unsolved social etiquette problem. One of the highlights of the club was the sponsoring of the annual Courtesy Week, with the assistance of the Student Council. Seven secret sleuths recorded the actions of North Side students. Every day of the Courtesy Week the names of the persons who had been the most courteous during the day were broadcast during the announcement period the following morning. The plan was very effective. More

courtesy was shown that week than most of us have seen for a period of time. With the conclusion of Courtesy Week, many students thought they no longer had to be mannerly and courteous, but if they thought the detection of the secret sleuths was finished, they were sadly mistaken. The sleuths continued to take note of them. Not until Recognition Day did the sleuths' work cease. At that time a cup was awarded to the most courteous boy.

At the close of the first term the annual club luncheon was held. At these luncheons the students have an opportunity to display what they have learned through their membership in this club. The luncheon was held in the school cafeteria.

Social events sponsored by the 400 Club this year were a dance in November and a Christmas party. Later a theater party was held. A skating party was given in May.

Last September the club members elected Waneta Werling, president; Sylvia Wolfe, vice-president; Bernice Krauskopf, secretary-treasurer; and Lois Decker, social chairman. For the spring semester Bernice Kramer was elected president; Thelma Lange, vice-president; Lois Decker, secretary-treasurer; and Mary Draggoo, social chairman.

Click! and an image is recorded on a thin strip of celluloid, developed, and preserved in a print. So in the fall, winter, and spring seasons, the activities and projects of the Camera Club have been recorded permanently.

The purpose of the Camera Club is to teach the students who are interested, the varied processes of photography: developing, printing, and enlarging,

and to be of service to the school.

The adviser of the club is Miss Bash, who ably directs the club's many activities. The officers of the fall and winter semester were Ernest Baade, president; Don Leininger, vice-president; and Maxine Orr, secretary-treasurer. The film manager was Ralph Cobb; slide manager, Dick Mommer; dark-room managers, Fred Brown and Paul Roembke; program chairman, Arlene Van Meter; publicity chairman, Betty Berry and Lois Chrisman; point recorder, Helen Pappas; social chairman, Jean Tumbleson; student council representative, Patsy Bane; and scrap-book chairman, Roselyn Nidlinger.

The spring semester officers of the club are Dorsey Moss, president; Fred Brown, vice-president; and Maxine Orr, secretary-treasurer.

The Camera Club gives service to the school through visual education by the presentation of educational films to the student body or special classes.

The Camera Club gives recognition to those members who have shown accomplishments in the different branches of photography. Points are given for services to the club and to the school, and for participation in the club's activities. When a member has fifty points, he is awarded a silver pin fashioned as a camera with bellows extended. A gold pin is awarded for one hundred points.

The meetings are held every first and third Thursday of the month. Admittance to the club is open to anyone who is interested in photography.

The Geography Council, under the direction and supervision of Mr. Noel H. Whittern, has just completed one of its most successful years. Mr. Whittern, who took over the helm at the beginning of the first term, has guided the members in varied activities throughout the year.

During the first part of the year, the students made grain, soil, wood, and fossil collections. These collections have been placed on display in the southwest corner of the library. The rock collections are largely made up of Indiana specimens, although some have been obtained from South America and Europe. These collections are an outstanding example of the interesting work carried on by the council.

On March 7 the club took a field trip to the bed of old glacial Lake Maumee. This gigantic lake had its overflow at Fort Wayne; however, at this time the St. Joseph and St. Mary's Rivers were tributaries of the Wabash. From Fort Wayne these rivers conducted the waters from Lake Maumee to the Wabash-Mississippi system.

On April 16 the club took a hike to Foster Park and Indian Village. On this trip many additional rocks were collected.

In addition to these field trips, the Geography Council studied the contour map and the fundamentals of surveying. They later took some surveying trips to Franke and Robison Parks.

The first semester officers for the club were: President, Richard Seiling; vice-president, Germaine Rodenbeck; secretary-treasurer, Betty Spittler. During the second semester affairs were ably handled by: President, June Ander-

son; vice-president, Richard Seiling; secretary-treasurer, Agnes Garrard. The Student Council representative throughout the year was Donna Ellert.

Since this club is patriotic, it has been collecting waste paper and has been selling candy. It is hoped that a war bond may be purchased through the money received through these sales.

The Geography Council has been affiliated with the Junior Academy of Science since 1932.

Artists Paintin' by the River

The Art Club says, "Anyone can paint!" So even if you do not prize your artistic abilities very highly, why not join our "Gang of Mad Artists" for a few minutes and maybe you'll be able to find out that perennial question, "What makes artists that way?"

As we look in on the club shortly after the first snow has fallen, we see many members frantically at work making plans for the main social event of the winter season, the annual Christmas party. The whole affair was planned by the social committee with Marian Wirick and Phyllis Hardy as the executives. It was quite a successful party—in fact, why shouldn't it have been since Charles Kolomoko, a local Hawaiian, was present and told the club about the unique ways in which Hawaiians celebrate Christmas. His music on a native guitar was very well received. The Christmas spirit was carried further in a Yuletide story, given by Marian Wirick, and Christmas carols in which all participated.

In January the club had one of its most interesting meetings of the year. Donald Schneider gave a demonstration of the Silk Screen process, a comparatively new medium of expression in the field of art. Everyone was so much interested in this unusual form of reproduction that Miss Sinclair was persuaded to buy one of the outfits for our use at school.

Do not think, however, that all of the Art Club projects are carried on in winter months, for in the fall a very enjoyable weiner bake was held at the

home of one of the Art Club members. Since this was the first meeting of the year, the club officers for the first term were elected as follows: Ed Blair, president; Jim Whitehurst, vice-president; Elaine Crosby, secretary; and Betty Cartwright, treasurer. These officers did their duties so well that they were elected to continue their positions for another term.

The activities of the spring were climaxed by a gala banquet, party, and dance at the home of Miss Bernice Sinclair, one of the club advisers.

New Coach, New Players Keep Foes in Hot Water

By JOHNNIE ROUSSEAU

It was truly a year of new faces for North Side basketball fans. Not only was the Red court machine an almost entirely new one this season, only one player returning from last year's tournament

twelve, but there was also a change of drivers as George Nulf took over the coaching reins, or rather the wheel, from his brother Bob. The squad gained power with each game and was still im-

proving at the end of a highly successful season, in which the Redskins emerged triumphant in 11 of 21 tilts.

Recognized and feared as a dark horse in the state tournament, the Indians hit their peak just in time for the March epic but drew one of the foulest hands that fate has dealt the Crimson in a long time when they found themselves matched with Central in the first round. But let's take a look at the events leading up to that climax.

November 29—Northern Gymnasium—Led by Jim Hinga, the Redskins celebrated the inaugura-

tion of new Coach George Nulf by winning their opener against the Masonic Home five from Franklin, 28 to 16. Hinga, playing with his right hand in a cast to protect a broken finger, amassed a total of 15 points.

December 5—North Side—Laporte, member of the Northern Indiana Conference in which North was just this season made a member, put up a game battle, but the Red, paced by Ned Follis and Jim Hinga, came from behind in a hectic last quarter to edge the Slicers, 25 to 23, giving the Red its initial NIC conquest.

December 6—North Side—Hinga and Follis again divided scoring honors as they led the Redskins to their third straight win of the season in a low scoring battle with Riley of South Bend that saw the Red on the top side of a 29-to-20 count.

December 12—South Bend—North Side found Central of South Bend and their vet center, Parson Howell, too hot to handle and dropped a 40-to-26 decision to the Bears.

December 13—North Side—A 6-point lead in the third quarter of a torrid tilt proved the margin of victory for Hammond's Wildcats as they eked out a 25-to-23 decision over the Red.

December 19—North Side—Pat Barley was the only Redskin able to hit consistently as he paced the losing Red cause against Central's Tigers. North Side entered the tilt in hopes of defending their city series title won last year, but found the Blue's fast break blitz unstoppable in absorbing a 57-to-28 defeat.

December 23—Goshen—North Side put an end to its three-game losing streak and took down a 25-to-18 win at the expense of Goshen's Red Menace in a low scoring duel.

December 31—Muncie Tournament—George Nulf's improving five celebrated New Year's Eve by knocking off Elwood in the first round of the Muncie Invitational Tourney, 46 to 27.

January 1—Muncie—Trailing by four points, with a minute and a half to go, Burris of Muncie came to life to score six points in those last 90 seconds to win over a surprised Redskin five, 28 to 26.

January 9—South Side—North stumbled for the second time in city series play, losing a closely contested tilt to the Archers, 35 to 24.

January 10—North Side—Nappanee fell victim to a vengeance-seeking North Side team as Barley and Follis blazed the way to a 39-to-18 win.

January 16—North Side—A tough zone defense thrown up by Central Catholic was too tough for the Red to cope with and the Purple inflicted the third city series loss, 36 to 31.

January 17—Mishawaka—It was the fifth win in six starts against NIC teams as North downed the Maroon of Mishawaka, 35 to 26.

January 23—North Side—A well-balanced attack proved too much for Elkhart's Blue Blazers as the Red swept to a 38-to-27 win.

January 25—Michigan City—After a tiresome 160-mile journey, the Redskins fell to Michigan City by a score of 36 to 31.

January 30—North Side—Central's Tigers did it

again as they humbled North Side for the second time in a city series game, 42 to 31.

January 31—South Bend—North Side scored an easy victory over John Adams of South Bend, 48 to 30. Hinga led the scoring.

February 6—North Side—George's boys shot the works in an effort to take down a win in this, their last city series engagement, but South broke a last-minute tie to edge North 27 to 25.

February 13—North Side—Twelve Redskins saw action as North triumphed over Washington of South Bend, 41 to 26.

February 14—North Side—A 23-point scoring spree by Jim Hinga featured the Red's 37-to-35 win over Auburn.

February 20—North Side—North Side, playing brilliant ball, took an early lead over a highly-rated Huntington five and were never headed as they took down a 42-to-29 win.

February 26—Sectional Tournament—North was matched with Central in the first round. They lost after a closely contested battle, 35 to 28.

Spring Comes

to North Side

With Spring the junior and senior classes pass by in review. The seniors, who have carried the torch during this past year, will leave North Side's portals; the juniors will carry on in the year yet to come. To the seniors, who will take with them the pleasant memories of four years in North Side, we bid farewell. To the juniors, who have proven themselves capable of leadership, we wish success in their coming senior year.

Attraction centers around the track squad, who have had an eventful year. The senior class boasts of their successful activities which include the banquet, the class play, the commencement dance, and the commencement exercises. At the same time the junior class is proud of the prom, which proved to be very successful.

Many new National Honor students are seen floating around the halls, all of them very proud of their accomplishments. Organizations, too, look back upon a year of successful activity with complete satisfaction.

Junior class officers are Tom Johnson, social chairman; Kenny Oetting, president; Miss Spiegel and Mr. Michaud, advisers; Lois Poorman, treasurer; and Carl Moring, vice-president.

Juniors Just in Spring of Life - - - Begin to Blossom

By ANN NAUS AND JOAN NIETER

As buds are breaking into flowers and leaves, as seeds in our vegetable gardens are sprouting into new plants, so are the juniors in the spring of their lives, blossoming into their senior year, preparing to take over the leadership of the student body.

Like robins who lead the way for other spring birds, our class advisers, class officers, and other leaders in the class of '43 have guided us through the dark and the dreary days of our junior year.

Miss Margaret Spiegel and Mr. Howard Michaud have offered to us all the wisdom and counsel that their years as faculty members have provided them. Kenneth Oetting as class president, Carl Moring as vice-president, Lois Poorman as secretary, and Tom Johnson as social chairman have ably fulfilled their duties to make our junior class one to be patterned after by future classes and one to be respected when we advance to seniors.

This year the coveted honor plaque was awarded to Room 210 with an average of 5.33 per cent. The home room under the direction of Miss

Vesta Thompson includes Betty Lou Bruick, Robert Bruick, Tom Burgoon, Betty Bussing, Rex Calvert, Richard Carrington, Charles Carrol, Mildred Cecil, Dorothy Chandler, Florence Chapman, Charlotte Christen, Jacqueline Clark, Wanda, Coil, Norma Conner, Betty Cook, Wanda Crouse, Richard Curdes, Robert Dellinger, Rosamund Denner, Dorothy Doehrman, Robert Driver, Ruth Driver, Florine Duff, Max Edgar, Louise Buchanan, Ralph Dunn, and Lois Finch.

"Moonlit Shadows" was the intriguing theme of the annual Junior Prom, the most outstanding event sponsored by the junior class. Tom Johnson, general chairman of the affair, appointed the following committee chairmen: Theme, Gordon Smitley and Carl Suedhoff; decorations, Richard Curdes and Caroline Waterfall; posters, Bob Kaufman; lounge, Kenneth Oetting; orchestra, Carl Moring; chaperones, Lois Poorman; check room, Nila Keeneman; publicity, Robert Thornhill.

Danny Yoder's ten-piece orchestra furnished the music for the dance which was held in the beautifully decorated gymnasium. In the blue sky were suspended stars of all sizes, and on the blue walls

were placed silhouettes of city folk in different occupations.

Student Council members have taken active part in our school government and have conscientiously upheld North Side's school code. They are: John Bauerle, Paul Becker, Richard Curdes, Wayne Gilberg, Tom Johnson, Hazen Keyser, Nila Koene-man, Carl Moring, Tom Seaney, Carl Suedhoff, Elizabeth Tone, and Howard Weatherholt.

Many juniors had prescience enough to gain leadership ability by participating in numerous speech events. Allen Kwatnez won second place in the Junior-Senior Extemporaneous Speaking Contest held early last fall and a few months later, won first place in the Oratorical Declamation Contest. Tom Johnson won second place and Joan Nieter and Carl Suedhoff tied for third place.

Tom Johnson, outstanding junior speaker, won first place in the State Extemporaneous Contest, and first place in the Fort Wayne and in the Sectional Rotary Discussion meets.

Other junior speakers who won distinction at the state meet were Dorothy Doehrman, Allen Kwatnez, and Carl Suedhoff.

National Forensic juniors are Betty Lou Bruick, Enid Burrell, Wanda Lee Coil, Richard Curdes, Dorothy Doehrman, Tom Johnson, Robert Kaufman, Allen Kwatnez, Robert Leonard, Thais Mentzer, Bill McConnell, Joan Nieter, Ruth Schleuder, Carl Suedhoff, Caroline Waterfall, Dorothy Wolf, and Virginia Yount.

Our class also possesses ability in journalistic leadership. Bob Thornhill, business manager of The Northerner, won first place in the Quill and

Those who are on The Northerner staff are Ann Naus and Joan Nieter, gold-jeweled pin; Catherine Schlatter, gold pin; Allen Kwatnez, silver pin; Barbara Boone, Tom Burgoon, Richard Curdes, Pat Johnson, Phyllis Kammeyer, Gayle Scott, and Phid Hattersley, bronze pin. Marilyn Barnhill, Enid Burrell, Patsy Cunningham, Helen Dye, Charlotte Hampshire, Maureen Hendricks, Marilyn Krick, Thais Mentzer, Lois Poorman, John Stockberger, Donna Wells, and Kenneth Winner are other junior workers on the staff.

The success of The Legend depends a great deal upon those who sell it. Juniors who acted as Leg-

end agents are Nelle Rose Barnes, Richard Curdes, Helen Dye, Norma Goheen, Phyllis Hattersley, Thais Mentzer, Ann Naus, Lois Poorman, Gayle Scott, Katherine Schlatter, Bob Thornhill, and Elizabeth Tone.

Classmates who in their senior year will set the pace for other musically-inclined students took leading roles in this year's operetta, "The Mocking Bird." They are Wanda Coil, Barbara Boone, Max Edgar, Leslie Sharp, Patricia Grant, Esther McComb, Don Meeks, and Henry Mundt. Members of the A Cappella, training choir, chorus, and orchestra furnished background music for the production. Those in A Cappella are: Alicejane Blombach, Barbara Boone, Louise Buchanan, Wanda Coil, Wanda Crouse, Patsy Cunningham, Dorothy Doehrman, Florine Duff, Max Edgar, Wayne

Gilberg, Patricia Grant, Esther McComb, Wayne Matter, Don Meeks, Henry Mundt, Ruth Nichols, Phyllis Rabus, Mary Ramey, Leslie Sharp, Willa Smith, Joe Wakeland, and Caroline Waterfall.

On the field or in the gym, many of our classmates help to provide the stirring music heard between halves. They are Mary Alice Baysinger, Enid Burrell, Dick Carrington, Byron Green, Betty Harshman, Dallas Haycox, Paul Hessert, Patricia Johnson, Bob Leonard, Dick Phillips, Gayle Scott, Dick Schafter, Bruce Shewmaker, Bob Snyder, and Don Young.

One of the aims of almost every high school boy is to be a football hero; in this respect juniors are not lacking. Grid men are Noble Sievers, Dean Marks, Ned Follis, Kenny Oetting, Leon Himmelstein, Harvey Hathaway, John Bauerle, Bill Popu-

lorum, Charles Leazier, and Russell Young.

Juniors also lent their talents to the hardwood and proved that they will be leaders at the net next year. Ned Follis, Don Leakey, Charles Leazier, Kenny Oetting, and Carl Moring are on the varsity squad and Herman Gongaware, Don Koenig, James Mennewisch, and Dick Mansfield were on the reserve squad.

Over the hurdles and dashing over the cinders go numerous North Side junior trackmen; they are Pierce Flanders, Ned Follis, Jack Gibson, Bill Heller, Bill Populorum, Cuby Sutton, and Harold Swank.

Student managers are Harold Swank and Nick Werling.

Like the little elfs that caused the slumber of Rip Van Winkle are many of our classmates who knock

Those who are trying to follow in the footsteps of Donald Budge are Bob Dellinger, Hazen Keyser, and Jack Lusk.

Juniors in the Lettermen's Club are Jack Bauerle, Pierce Flanders, Ned Follis, Jack Gibson, Harvey Hathaway, Bill Heller, Tony Leazier, Bill Populorum, Noble Sievers, Gordon Smitley, Jack Wisman, and Nick Werling.

The Hi-Y Club is a strictly male organization which trains boys to be leaders in many fields. Junior members are Ralph Clark, Ralph Hess, Richard Henry, Roland Kyle, Wayne Matter, Edmund

Meyer, Jack Miles, Dick Scherer, Bob Seely, and Dick Werling.

GAA is a girl's club similar to that of the Lettermen's Club. Girl athletes who hold membership in this activity, very dear to their hearts, are June Anderson, Betty Armstrong, Roseann Bachman, Mildred Bauermeister, Hilda Bechtel, Alta Beaching, Phyllis Bender, Dorothy Chandler, Norma Conner, Betty Jean Cook, Norma Harper, Marilyn Harries, Betty Harshman, Virginia Haskens, Betty Heckt, Pat Hiser, Margaret Lord, Glendora Martin, Thais Mentzer, Ruth Nichols, Lois Poorman, Phyllis Rabus, Mildred Rathert, Maxine Richard, Gayle Scott, Geraldine Smith, Virginia Till, Elizabeth Tone, Margaret Witte, Mary Jane Woodring, and Betty Lou Scott.

Juniors are also active in numerous other clubs that offer both educational and leadership training.

Top row, left to right: The legs in the foreground belong to none other than Lois Poorman and Gordy Smitley. Joan Nieter is the languid little lass we find reclining on the river bank. Pat Hunt and Bob Thornhill look happy to say the least—if only Thornhill would open his eyes.

Second row: Elizabeth Tone thinks that Bob Dellinger needs a shoe shine—maybe? Can't you just hear Dot Doehrman and Ann Naus saying things about that wind blowing their skirts? Alone on the front steps is wind-blown Maxine Richard. Tom (Skeezix) Johnson and Carl (C.J.) Suedhoff apparently have found something humorous.

Third row: It looks like Wanda Coil and Caroline Waterfall just told Dick Curdes a joke—look at his face. Hiding behind the birch tree is smiling Thais Meitzer. Carl Moring and Kenny Oetting reminisce.

First row, top to bottom: Harry Pickett does some intricate work on the jig-saw. A group of fellows in the physics lab try to puzzle out one of the experiments. Miss Rothenberger surveys hard-working economic class. Dick Hensler and Ed Hughes work together on one of the more "touchy" experiment during chemistry lab period.

Second row: Mr. Chance and his music appreciation class. Mr. Reeves, in the background, watches over his student assistants who do much of North Side's clerical work. Ahh, cooking period during a home economics class. Students take on a variety of projects in Miss Sinclair's art classes.

The old adage, "In the spring a young man's fancy lightly turn to thoughts of love," might well be changed to read, "In the spring a young journalist's thoughts always turn to winning a bronze publications pin"—and membership in the 1500 Club, prominent North Side club for rising journalists.

This spring the 1500 Club has a total of forty-six members on its roll. Jane Evans is president of the group and Bob Douglass is vice-president. They are ably assisted by Jean Stiffler as secretary and John Rousseau, treasurer. The several very successful potlucks held this year by the 1500 Club were under the guiding hands of these four.

pin. To receive this prize (a gold pin set with a ruby), a student must have earned 10,000 points. Those who have this pin are Ann Naus, Joan Nieter, Bob Thornhill, Jean Stiffler, Jeanne Tobias, Jane Evans, John Rousseau, Bob Douglass.

As a special award to senior scribes for their outstanding journalistic work at North Side, Miss Rowena Harvey, faculty adviser, announced that seventeen students had been given membership in Quill and Scroll.

1942 Legend Hits All-Time High

By BOB DOUGLASS

1942—another year, another Senior class, and another yearbook; and each one ranks as outstanding in its strata. The year has brought about almost complete world misunderstanding; the senior class has left several \$100 war bonds to the school; and the yearbook is one that any senior class could be proud to present.

This year's Legend has surpassed all previous records so far as circulation has been concerned. Exactly 1,151 subscriptions were recorded by co-circulation managers Joan Buesching, Margaret Foster, and Betty Downing—a record that is likely to stand for some time to come. Also, we on the staff sincerely hope that we have produced an annual containing sufficient beauty and originality to warrant receiving sincere praise from you subscribers and readers. Whatever new features are contained within these pages have been made possible only by the splendid student backing.

However, it takes more than subscriptions to make a really good yearbook, and that is a hard-working staff. Barbara Morton, senior editor, had one of the toughest jobs, inasmuch as she was in charge of the senior poll, identifying senior pictures, making sure seniors had listed all their activities, and innumerable other duties. Johnny Rousseau, who acted both as business manager and sports editor, did swell jobs in both capacities. As business manager, it was his duty to secure requisitions for club pictures and take care of all financial affairs; and as sports editor he supervised all stories concerning sports.

John Rousseau, business manager, and Bob Douglass, Legend editor, make one final inspection of the '42 yearbook before it goes to press.

Photography, of course, is one of the chief essentials of all yearbooks. Without excellent pictures the 1942 Legend would probably have proved to be a

painful flop. Hazen Keyser and this writer attempted to please with the pictures taken.

The underclass sections play a great part in any yearbook. This year's publication was lucky to have such capable underclass editors as Joan Nieter and Ann Naus for the juniors; Sheila Schomp and Dorothy Winje for the sophomores; and Bob Bayer for the freshmen. All five editors did grand jobs in taking care of their respective classes. Jane Evans, acting as organizations editor, took care of such work as selecting club writers, editing club stories, identifying club pictures, and many other odd jobs which came up from time to time.

Club writers are to be commended for the fine cooperation which they extended when speed was necessary. These writers are, as a rule, seniors who are members of the various organizations about which they write.

And so, another annual is taking its place among the files of North Side yearbooks. It may be one of the best, or it may be just another Legend—that is a matter of opinion. At any rate it marks the graduation of another senior class from the portals of North Side High School. Let us hope that this class will do as well or perhaps even surpass the classes which have preceded it. Only time will tell.

Warm Breezes Waft Pleasing

By DON AIKEN

"With a song in their hearts"—the members of the band and orchestra spend many hours practicing their various instruments so they can produce music of the finest quality for the enjoyment of North Siders and their friends. Good music is not produced by those who sit down and just play an instrument. Students who spend hours at individual practice and are attentive at many group rehearsals make up a real band or orchestra.

During the past year, our band and orchestra have accomplished a great deal under the direction and guidance of Mr. Varner M. Chance and Mr. Frederick E. Bieler. The two organizations played at sixteen concerts during the year, to say nothing of the pep and joy the band provided with its music at the many football and basketball games.

The larger of these two groups, the band, opened its season along with the football team. At these various games, the band demonstrated its marching ability under the leadership of drum major Kenneth Holcomb. The flag and baton twirlers in their white satin outfits complimented the bright red of the band uniforms. These twirlers were directed and rehearsed by Anna Allen, their competent and attractive leader. One of their outstanding feats was their twirling in the dark with lighted batons.

The band gave its first concert on November 28, at which time a clarinet quartet consisting of Joan Gladbach, Byron Green, Paul Hessert, and Bob Comparet was featured as was Jean Grant, a contralto soloist, and a trio comprised of Harriet Whonsettler, soprano, Dick Carrington, flutist, and Florine Duff, pianist. On March 24, the band presented an assembly program at which Mary Euphrat sang as a solo, "Gypsy Love Song."

It is customary for the band to make at least one out-of-town appearance during the school year. This year the concert band traveled to Payne, Ohio, where they presented a program in the high school auditorium.

The band together with the twirling units was seen again this year as always in the Armistice Day Parade in which all the city school bands and several out-of-town bands participated.

A concert in which the band took part was also given in observance of Armistice Day at the school auditorium.

A breakfast concert was given during the school year at the Chamber of Commerce by the concert band at which time a drum and bugle corps, selected from the marching band, opened the day with the Spirit of '76. The breakfast opened Fort

Wayne's annual Community Chest drive.

Something new was added to this year's music calendar, this being the participation of the band and twirling groups in the Navy Booster Day Parade held in honor of sailors and their mothers.

The orchestra gave its first concert on November 8 for the Tri-State Teachers Convention at the Anthony Hotel. On November 25, the orchestra participated in the first of a series of four concerts given for the student body. At this time, three student soloists were featured. They were: Esther McComb, a contralto soloist; Kenneth Holcomb, who played a solo on his bass horn, and Dorothy Hoffman, who played a marimba solo.

The orchestra was next heard at the student Christmas assembly at which time the band, orchestra, and all choral groups gave a joint program in the singing and playing of Christmas Carols. A short time later, the orchestra was heard on the evening of February 23 under the direction of Mr. Fredrick Bieler.

Mr. Bieler, a newcomer to the North Side music department, has proved himself to be a fine personality and an able director. He is our chorus director and conductor of our orchestra. In addition to these activities Mr. Bieler is a talented organist

and choir director at his church.

This year's operetta entitled "The Mocking Bird" presented early this spring was very ably directed by Mr. Chance, our band and choir director. The orchestra, under Mr. Chance's direction, filled in the background to the choruses.

The "Spring Festival", a joint concert of the choral groups, band, and orchestra under the direction of Messrs. Chance and Bieler, was presented on May 16 at the North Side auditorium. This concert concluded the season's scheduled concerts of the band and orchestra given for the public.

Another instrumental organization in the music department is the training band. This group is composed of those who do not come up to the standards required to join the band. At their weekly meetings they learn the fundamental principles of group playing. They are aided by Mr. Chance and Kenneth Holcomb.

The music department sponsored its annual dance after the North Side-South Side basketball game. This dance was arranged by the North Side Instrumentalists, who are a selected group from the band and orchestra. Robert Comparet, president of the club, acted as general chairman for the dance. The dance was held in the cafeteria, which was decorated with palm trees and other tropical scenes.

Grade of B? Join Helicon

Mount Helicon "celebrated for the cool groves and flowery slopes," the home of Muses, gives its name to the English club of North Side.

Spring means many activities for the eighty members of this club. On April 13 the annual spring tea was held. Mrs. Charles Houser, guest speaker, spoke on "Current Dramatic Productions in New York." Later, in May, Mrs. William Page Yarnelle gave an interesting book review. The final meeting of the club was held at Franke Park in the form of a picnic.

Among the other activities sponsored by Helicon was a dance under the direction of Wayne Meek, after the Cathedral football game on October 17.

A display in the library during November of old and new books, masterpieces, and novels was directed by Norma Young.

An entertaining book review, "Keys of the Kingdom," was given by Mrs. Harry Hogan on October

Like Bugs? Join Naturalists

By STERLING KEYSER

If you see a dozen or so students running around the premises of our school, or slipping up and down the river bank as if they were a bunch of lunatics, and, if they are carrying glass jars and swishing cloth nets around in the air, you can be sure you are seeing the Nature Club in action on an insect hunt. Collecting and mounting these little fellows of the animal kingdom is but one of the many projects carried out by the members of the club.

Twig, leaf, and bird nest identifications are also popular. Another project which draws many followers in the spring is the collecting and mounting of wild-flowers in a scrapbook. Perhaps the project that attracts more of the members than any other is the identification of birds. This is most popular because it is a year-'round project which affords the opportunity for a great deal of healthful exercise, besides increasing one's knowledge of wild life. These are but a few of the many projects worked out by the club members in order to make their club work more interesting.

As an incentive to work on projects, a point system was established by which a member received the bronze Indiana Junior Academy of Science pin for seventy-five points for completed projects. This point system was extended last year so that silver and gold pins could be earned for an additional number of points. The gold pin is given only to seniors who have earned 300 points and who have

given valuable service to the club during their four years of membership. These pins are small replicas of the state of Indiana with a guard attached bearing the letters "NC". Sterling Keyser is the first member to have received the gold pin, but several have received silver pins. Our very capable sponsors, Mr. Howard Michaud and Miss Vesta Thompson, have been exceedingly helpful in advising the students about projects and leading field trips on which a great deal of knowledge has been obtained. The club appreciates their work and wishes to thank them for it.

The Nature Club holds a meeting on the third Wednesday of each month. During the fall and spring these meetings many times are in the form of a hike along the river or the old car line. In the winter the meetings are held in the botany lab.

State Title Blooms for Chambersmen

By JOHNNIE ROUSSEAU

Incredible is the word for North Side's band of tracksters. Under the guidance of Coach Rolla Chambers, the powerful Red cinder squad of 1941 went undefeated in fifteen consecutive meets, which included victories in such important get-togethers

as the Gary Relays, recognized as the state indoor championship meet, the Southport Relays, Kokomo Relays, NIC, and finally the IHSAA State meet. Some record.

Chambers and his fleet-footed proteges. Of the eighteen boys who formed last year's state championship squad, thirteen were undergraduates, and with this potent array back in action, with the addition of several new boys who have earned varsity positions, the Red has looked even stronger than it did a year ago, if that is possible. To date, May 9, the Redskins have increased that undefeated record, started last year, to twenty-six straight wins, against the best competition the state could offer. In winning eleven straight meets this season, the Chambersmen successfully defended every one of their relays and conference crowns won last year, and as this went to press they were the odds-on favorites to repeat in the sectional and state meets.

North displayed surprisingly good form for so early in the season in winning their initial meet against the freshmen of Bowling Green University, 44 to 16. Ashley Hawk and Mike Bojinoff set new university records in winning the mile run and 40-yard dash, respectively.

Hammond was the next stop on the traveling Red's list, and the host team probably wished Mike Bojinoff had stayed behind as he won the high and low hurdles and the 60-yard dash in pacing North Side to a 61-to-39 win. Hawk, Snook, Douglass, Meek, and the mile relay team of Flanders, Hinga, Snook, and Hawk scored the other firsts.

The power that was North's really became evident as a hapless Emerson of Gary squad was squelched, 89 to 11. Mike Bojinoff had a

field day as he won four events, the high and low hurdles, broad jump, and 60-yard dash.

North Side was on the spot as defending state indoor champion at the Gary Relays but passed this acid test with little difficulty in piling up a winning 68-point total, twelve more than the runner-up,

Coach Rolla Chambers receives a gold track shoe from the queen at the Southport Relays.

Hammond. In so doing the Chambersmen broke their own scoring record of 54 points set in 1941. Another record fell, this time in the half-mile run, when Ash Hawk covered the distance in 2:01.8 to lower the former mark by seven-tenths of a second. Hawk also won a mile race for his second first. Bojinoff was North's other dual winner, winning the high hurdles handily and equaling the state indoor record in the lows. Other North Side firsts were scored by Snook in the 440, Lichtsinn in a mile run, and both relay teams.

Mike Bojinoff lost his first hurdle race of two seasons when McKee of Culver beat him to the tape in the 40-yard lows during a dual meet, which the Redskins won, 70 to 48. Bill Populorum won the shot and Clarence Hanson tied for first in the pole vault. Hawk in the 420-yard dash and half-mile, Bill Heller in the mile, and both relay teams came through with firsts.

The Red thinlies' long victory string remained intact as they triumphed over Horace Mann of Gary in the first outdoor meet of the year, 89 to 20. Freeman Longardner, who has been dogging Bojinoff's footsteps over the hurdles all season, won a low hurdle race as he passed Mike in the last 30 yards. Longardner also placed second in the highs, ran on the winning half-mile relay, and took first in the broad-jump. Flanders, Short, Heller, Hinga, and Biggs took individual firsts and both relay teams scored wins. Meek and Hanson entered into a three-way tie with a Horace Mann boy for first place in the pole vault.

Mishawaka's Maroon Men provided some stiff competition but lacked the all-around power to pull an upset as North swept to another victory, 59½ to 49½. Bojinoff fell at the first hurdle in the highs but Longardner came through to score a first in this event. North slammed the mile run with Lichtsinn, Heller, and Bourke finishing in that order. Kay Short lowered North Side's school record in winning the shot put with a mighty heave of 48 feet 8½ inch, and Ash Hawk also established a new mark, lowering Mishawaka's half-mile field record with a winning time of 2:02.5. Other firsts came as Douglass annexed the high jump, Snook and Hinga tied for first in the 440, and Bojinoff outsped his rivals in the lows.

The Chambersmen scored 60 points, 20 more than the nearest opposition, and set four new records in defense of their Southport Relays crown. Record breaking times were run by Hawk in the mile; Biggs, Hinga, Heller, and Lichtsinn in the medley relay; Swager, Saylor, Hinga, and Hawk

in the mile relay; and Biggs, Sutton, Snook, and Douglass in the half-mile relay. The shuttle relay, without the services of Longardner who was out with an injured leg, placed a close second. Snook took first in the broad jump and Short captured second place in the shot put.

More records fell as the Chambersmen won the Kokomo Relays for the second straight year. Scoring 52½ points, North completely swamped the nearest foe, Anderson, and cracked the scoring record of 39 points set by the Red last year. Mike Bojinoff swept both the high and low hurdles and broke his own high hurdle record set the year before. The medley relay team of Biggs, Hinga, Hawk, and Heller, and the 1500-yard relay team composed of Swager, Douglass, Snook, and Hinga both set records in winning the events.

Hawk and Lichtsinn placed one-two in the 1000-yard run, Hanson and Meek placed second and fourth, respectively, in the pole vault, and Biggs placed fifth in the 100. Short and Snook took seconds in the shot put and pole vault, and Douglass and Populorum tied for fifth in the high jump.

The Redskins established themselves as favorites to take the Northern Indiana Conference crown again as they qualified sixteen men in winning the Eastern Division Sectional held at Mishawaka. The first four boys in each individual event and the first three winners in both relays qualified for the finals. Hawk set another mark in the half-mile. North scored 85 points and Mishawaka was second with 55½.

Prospects for another undefeated season looked bright as Rolla Chambers' Redskins outscored their nearest competitor, Hammond, by 63 to 53 in the NIC finals held at Mishawaka. Biggs placed fifth in the 100 and Hinga and Snook placed first and third respectively in the 440. Sophomore wonder, Ash Hawk, set records in winning both the half-mile and mile runs. Mike Bojinoff realized a long ambition in breaking Tom Harmon's NIC mark in the 200-yard low hurdles. His winning time in the 120-yard high hurdles was the fastest time recorded in the state so far this season. Other firsts were scored by Snook in the broad jump and Clarence Hanson in the pole vault. Hanson set a North Side record in the pole vault when he went 11 feet 9 inches for a three-way tie for first.

Through the athletic portals of North Side High School for 1941 and 1942 probably passed one of the greatest years for intramural sports. The largest variety of intramurals was presented under the supervision of the Redskin athletic board. These sports included basketball (Leaders' Tournament, Home Room, and the Intramural Leagues), bowling, track, cross-country, football, tennis, and softball. The following summaries, however, include only those intramurals which have taken place before this writing.

A tribute should be paid to Mr. Dave Hartley for his excellent work in carrying out the principles

of intramural athletics.

Tennis was the initial branch of intramurals to begin the cycle under the supervision of Coach Virgil Herring. Approximately fifteen boys registered for the tourney. Chuck Frie was last year's champion and he hoped to retain this title. But, woe and alas, a little junior by the name of Jim Tellman upset the senior champ in two out of three sets. Jim's consistency enabled him to cop the first and third sets easily enough, but when it came to the middle set he lost out 7-5. Jim is the first one to have his name engraved on the new gold tennis cup.

Left: Intramural Cross-Country winners. Left to right, first row: Jack Heider, Hugh Beezley, Lawrence Lichtsinn, and Eugene Leakey. Second Row: Dick Stolf, Dick Horne, Mr. Dave Hartley, Howard Weatherholt, and Bill Kemp. Right: Start of the Intramural Cross-Country race.

Murals of Intra-Murals

Cross-country occupied the minds of all the male Redskins as Coach Chambers announced that those boys wishing to try out for this event should get in shape. Thirteen boys ran the long course at Franke Park with eight receiving medals. Bill Kemp, brother of Don Kemp who excelled in running a couple years back, paced all other competitors for first place. The next seven boys followed in this order: Lichtsinn, Stolf, Leakey, Beezley, Weatherholt, Horn, and Heider.

Mr. J. R. Sinks, freshman basketball coach, called for lists of teams to enter the annual Leader's tournament. In the finals of the consolation, Yehudi, composed of Adams, Comparet, Beckstein, Keyser, and Hite, won by a 6-point margin over the Five Bubs, Smyers, Hogan, Francis, Novick, and Harbor, 16 to 10.

The Midgets, although not living up to their name, broke into a second half spurt to win over the So Jos by a 18-to-8 score.

A new intramural sport (bowling), originated

Top Right: We could corner only four of the Study Hall five that won the Home Room basketball tournament. Left to right, Tom Johnson, Bill Hunter, Noble Sievers, and Nick Werling.

Middle Right: A bit of action in the Intramural League Tourney.

Lower Right: Finalists in the Leaders' Tournament. The winners, pictured kneeling in the center and reading from left to right are as follows: John Hessly, Carl Morning, Ray Tinkle, Dick Ummell, Mark Walters, Bob Eldridge, and Jim Snook. The consolation finals were captured by the five boys standing at the left. They are, left to right, Sterling Keyser, Ellis Hite, Howard Beckstein, Don Adams, and Bob Comparet. The team of runners-up, standing at the right, was composed of Phil McNagny, Eugene Himmelstein, Irvin Schecter, Al Kwatnez, and Norman Krieg.

Lower Left: Winners of the Intramural League play-offs. Left to right, kneeling, Glen Mommer, Jack Allen, and Wayne Whisler; standing, Dee Gardiner, Barney Jackson, and Merle Moerketter.

from the efforts of a couple boys as well as the faculty assistance of Coach Bob Nulf. The boys bowled every Wednesday after school.

Intramural basketball ran next with Mr. Dave Hartley commandeering the tourney. Fourteen teams were represented and divided into three leagues, All Star, Senior, and Midget.

Top row, left to right: Remember the fake fire drill? This is it. Hawk and Dave Auman look on while Jack Lusk gives Red Calomme another view of the world. Chuck Carroll and Bob Smiley in the background. Kryder, Hilpert, Franke, Smith, Kroemer, and Woebeking during lunch hour.

Second row: Anna Allen and Morris Vose on a bicycle for two. Bostic looks on while Calomme and Fruechtenicht ruin his car. Don Longworth's taxi service. Mr. Herring and the tennis team. Chuck Frie stood up the rackets.

Third row: A couple of seniors with a couple of undergrads—Schecter, Nahrwold, Matchette, and Harper. Birds of a feather—Arlene Koeblinger, Lois Reinking, Shirley Boedeker, and Rosie Didier. The cafeteria gang: Morgan, Kwatnez, Marianne Joss, and Cook, with Stockberger acting as overseer.

Fourth row: Joyce Otis, Dick Stephens, (?), and Susie White around Sandy's. Charley Frie and his stage crew. Miss Suter slipped in unnoticed. Gerry Smith, Don Auman, and Nila Koeneman. Looks like Don's taking up baton twirling.

Top, left to right: "Beat 'em Redskins, beat 'em"—typical of any North Side basketball game. Cheerleaders Krieg and Lusk lead the team onto the floor as one of the games gets under way. Second Row: Hmm, the judges seem to like Miss Redskin Fruechtenicht during the pep session preceding the sectional. Maybe they're wishing they were in there—at least they're preoccupied with something. Holy smokes, look out! Whew, never mind—it's just Shilts, Staak, and Deitschel throwing a couple of blocks toward the cameraman. Third Row: Last year's state track champions at the Southport Relays, where they collected six more trophies to add to their rapidly increasing pile. Gunkler scores from the charity line—and he really did make it. Oh, oh! Thought Fruechtenicht had the title cinched, but it looks like they had to bring the rest of them back for another look. Fourth Row: Finally—looks as though someone paid the judges, but anyway he (or shè) copped the trophy for North Side. Soaring toward the stratosphere is Dick Biggs, one of the Redskin broad jumpers and dashman par excellence. Either pain or determination (?) is shown on Kenny Oetting's face as both he and Mark Walters attempt to gain possession of the ball during the special pre-season performance put on for the benefit of the student body.

Seniors Have Sown the Seed - - - Watch Them Grow

By BARBARA MORTON

Leaders of the Senior class are, front row: Al Gunkler, vice-president; Judith Bowen and Loy Laney, advisers; Jim Hinga, president. Back row: Tom Neff, social chairman; and Dave Saylor, treasurer.

Four years ago the Class of 1942 entered North Side. We passed three wonderful years there—years filled with fun, hard work, disappointments, years in which we became experienced and efficient. Each year brought with it more achievements and gained for us the reputation of being hard-working, original, intelligent, and adept in all sports. Those three years were only stepping-stones to the fourth, however, for it has outshone all the others.

The Class of 1942 has served as an excellent example for other classes to follow. This would not have been possible without capable leaders. Jim Hinga as president and Albert Gunkler as vice-president have ably guided our course. Dave Saylor has seen that all our finances and records were in order; and supervising our social activities was Tom Neff. Our officers in turn have looked for guidance to our faculty advisers, Miss Judith Bowen and Mr. Loy C. Laney.

This has been a year of senior activities that will long be remembered by future graduating classes. On January 22 we celebrated two memorable occasions—North Side's Crystal Anniversary and our own Senior Banquet. Merged into one, these two provided material for a very enjoyable evening. At the banquet the senior class presented North Side with a \$100 War Bond, and later on March 24, we added two more \$100 bonds to that gift. Our second get-together was held on February 21 when we witnessed fellow seniors perform delightful dramatic tricks in the play "Seven Chances."

Then came that wonderful, yet sad, month of June. We celebrated Senior Week from June 1 to 5 and climaxed it with our Commencement Dance on June 6. On Sunday our Baccalaureate services were held, and finally on Tuesday, June 9, we received our diplomas, a fitting reward for four years of study and service at North Side.

At long last the winners of the Senior Poll are announced. Here they are in all their glory—look them over: First row, top to bottom: Russ Cook and Jean Grimm, voted the best public speakers. Dave Saylor, best citizen, contributed most to the betterment of the school—Virginia Hofer, best citizen, most likely to succeed, most courteous—Charles Frie, most courteous. Seated on the steps are Ardanelle Cowan, most bashful—Dan Benninghoff, most likely to succeed, most studious, most bashful, notorious woman hater—Joan Buesching, most studious—and in front, Bertha Coudret, most notorious man hater.

Second row: Relaxing under the trees are Helen Franke, best sense of humor—Harry Hill, best actor, best sense of humor, most engaging personality—Rosie Kryder, best actress. Taking over the glamour part of the poll were Martha Mathews, prettiest girl—Tom Neff, most handsome, prettiest hair—and Betty White, prettiest hair. Seated on the curb: Jane Evans, chosen most outstanding member, contributed most to betterment of school, and most popular—Jim Hinga, best athlete, most outstanding member, and most popular—Betty Puff, elected best athlete. Seated on the river bank are Don Swager and Jean Tumbleson, chosen as the best dancers.

Pictures of the Senior Play are as follows: Harry Hill attempts to reconcile Rosie Kryder and Jack Wehrenberg. Singing around the piano at the party given for Jack. Ahhh, sweet mystery of life—one of the more romantic scenes during the play. Betty Hilpert proposes to Jack—pretty, isn't she? One of the factors that made the play a success—Usherettes Joan Gladback, Rosamond Denner, Pat Hunt, Helen Dye, and Donna Tibbitts. Swager, Hill, and Frie discover Jack's inheritance. Gold diggers White and Matthews discover that Jack is a pauper. Miss Foster's room during "Back to School Night". Entrance to the Redskin Inn. Barley and Naus listen to Douglass' portable. Sunset as seen from the front lawn of the school. Harry's agony seems to be a source of pleasure to Charley Frie, Barbara Morton, Marky Miller, Don Swager, and Jim Snook. Frankenstein dances with (?)—it's Bert Coudret, but don't tell anyone.

These smiling flag twirlers are an important part of the session between basketball halves. These pretty and nimble lassies, who twirl a mean baton, are North Side's pride and joy. Little Carolyn is the mascot of the twirlers. Dorothy Hoffman entertains us on the xylophone at the band assembly. Backstage on the "Macbeth" set. Don Swager presents Dave Saylor with the large honor plaque. Pat Hattendorf, Helen Franke, and Marilyn Curdes lean on a fender. 1941 Senior Day—more specifically—the planting of the ivy. Stiffler, Evans, and Kryder get all tangled up in the yarn, while Wayne Meek tries to discover what it's all about. Back-to-School Night when our parents get an idea of what we go through five days a week. Bob Cowan officially turns the duties of the Senior class over to Tom Neff. There's no "mike fright" when Helen Schwartz, Martha Miller, Bertha Coudrer, and Rosella Silk get together for the Penny Carnival.

Top row, left to right: Home room representatives keep Mr. Northrop busy on Tuesday mornings during the weekly sale of war stamps. Miss Bash distributes the stamps to the buyers in her home room.

Second row: Almost perfect adherence to the rules was observed by students during this first test air raid drill. Pat Barley attempts to persuade Betty Joss to knit square for this afghan sponsored by the Red Cross. The afghan is surveyed near completion by the advisers and officers of the organization.

Third row: Mr. Dave Hartley, North Side's first faculty offering to the armed forces of the United States, just before he left for camp. World War I Veteran Everett Pennington explains to North Siders the meaning of our American flag. Mr. Northrop speaks with Fireman George Hood and Officer Alfred Figel about making North Side safer in case of air raid.

Top row, left to right: Miss Schwehn's second period first aid class. First aid demonstrations are now being put on in home rooms once each week. Legionnaires gave talks on patriotism at this assembly.

Second row: first two pictures—Americans may well take heed of the advice offered by these posters made by pupils of Miss Sinclair and Miss Zook in the art department. All of them are prize winners. Betty White makes her contribution of "metal for defense."

Third row: The Junior Red Cross knits and sews for defense, or rather, for soldiers. It's this type of cooperation that makes America unbeatable. A bit ironic is this shot taken during the display of old newspapers last semester. At any rate, it's this type of headline that everyone is hoping to see before too long a time.
